*There is an appointed time for everything,
and a time for every affair under the heavens*

A time to be born,

and a time to die.

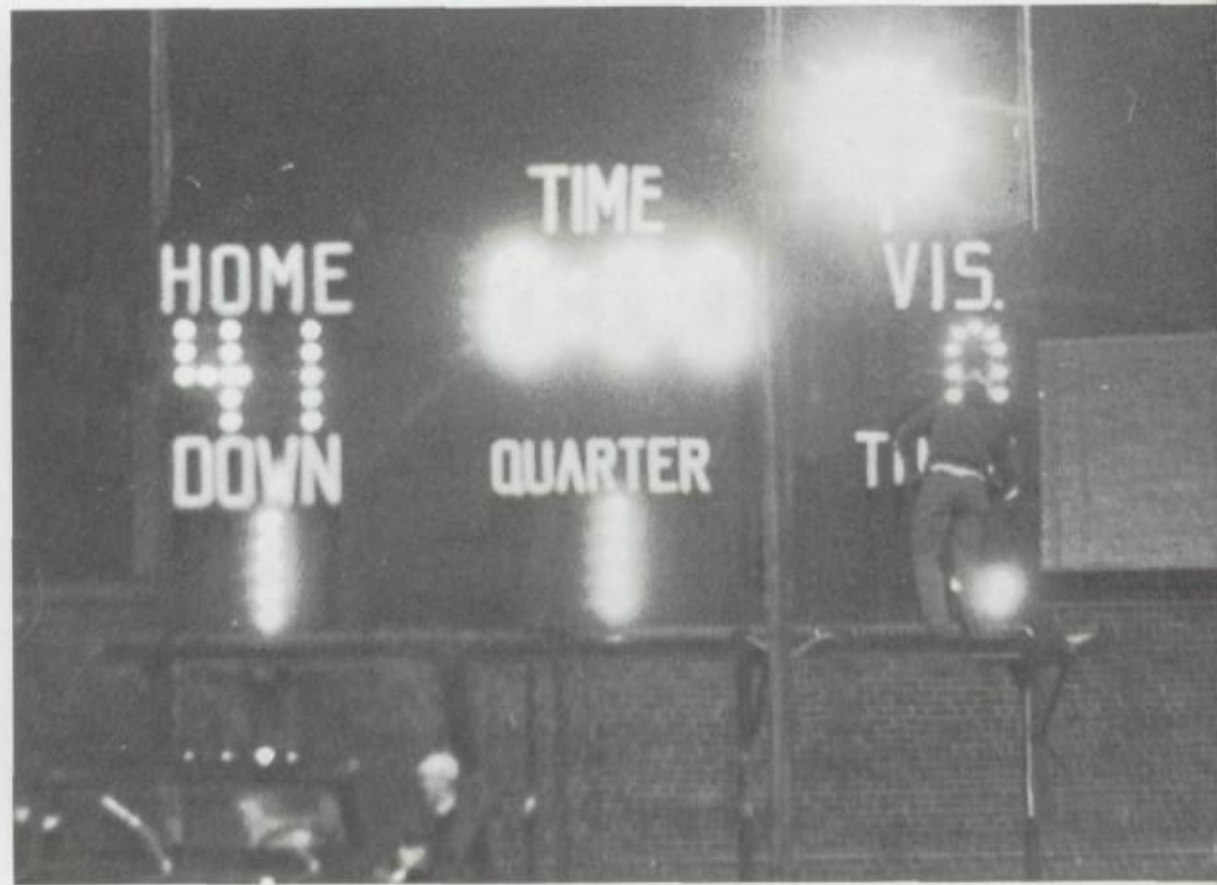

A time to plant,

and a time to uproot the plant.

A time to kill,

and a time to heal;

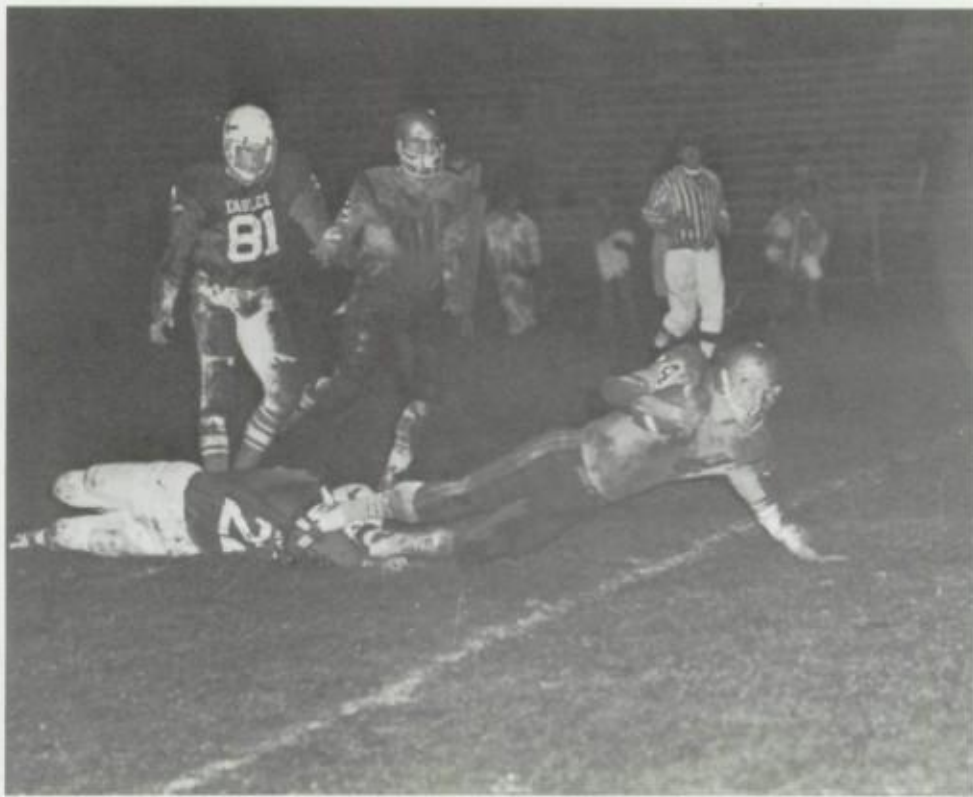

a time to tear down,

and a time to build.

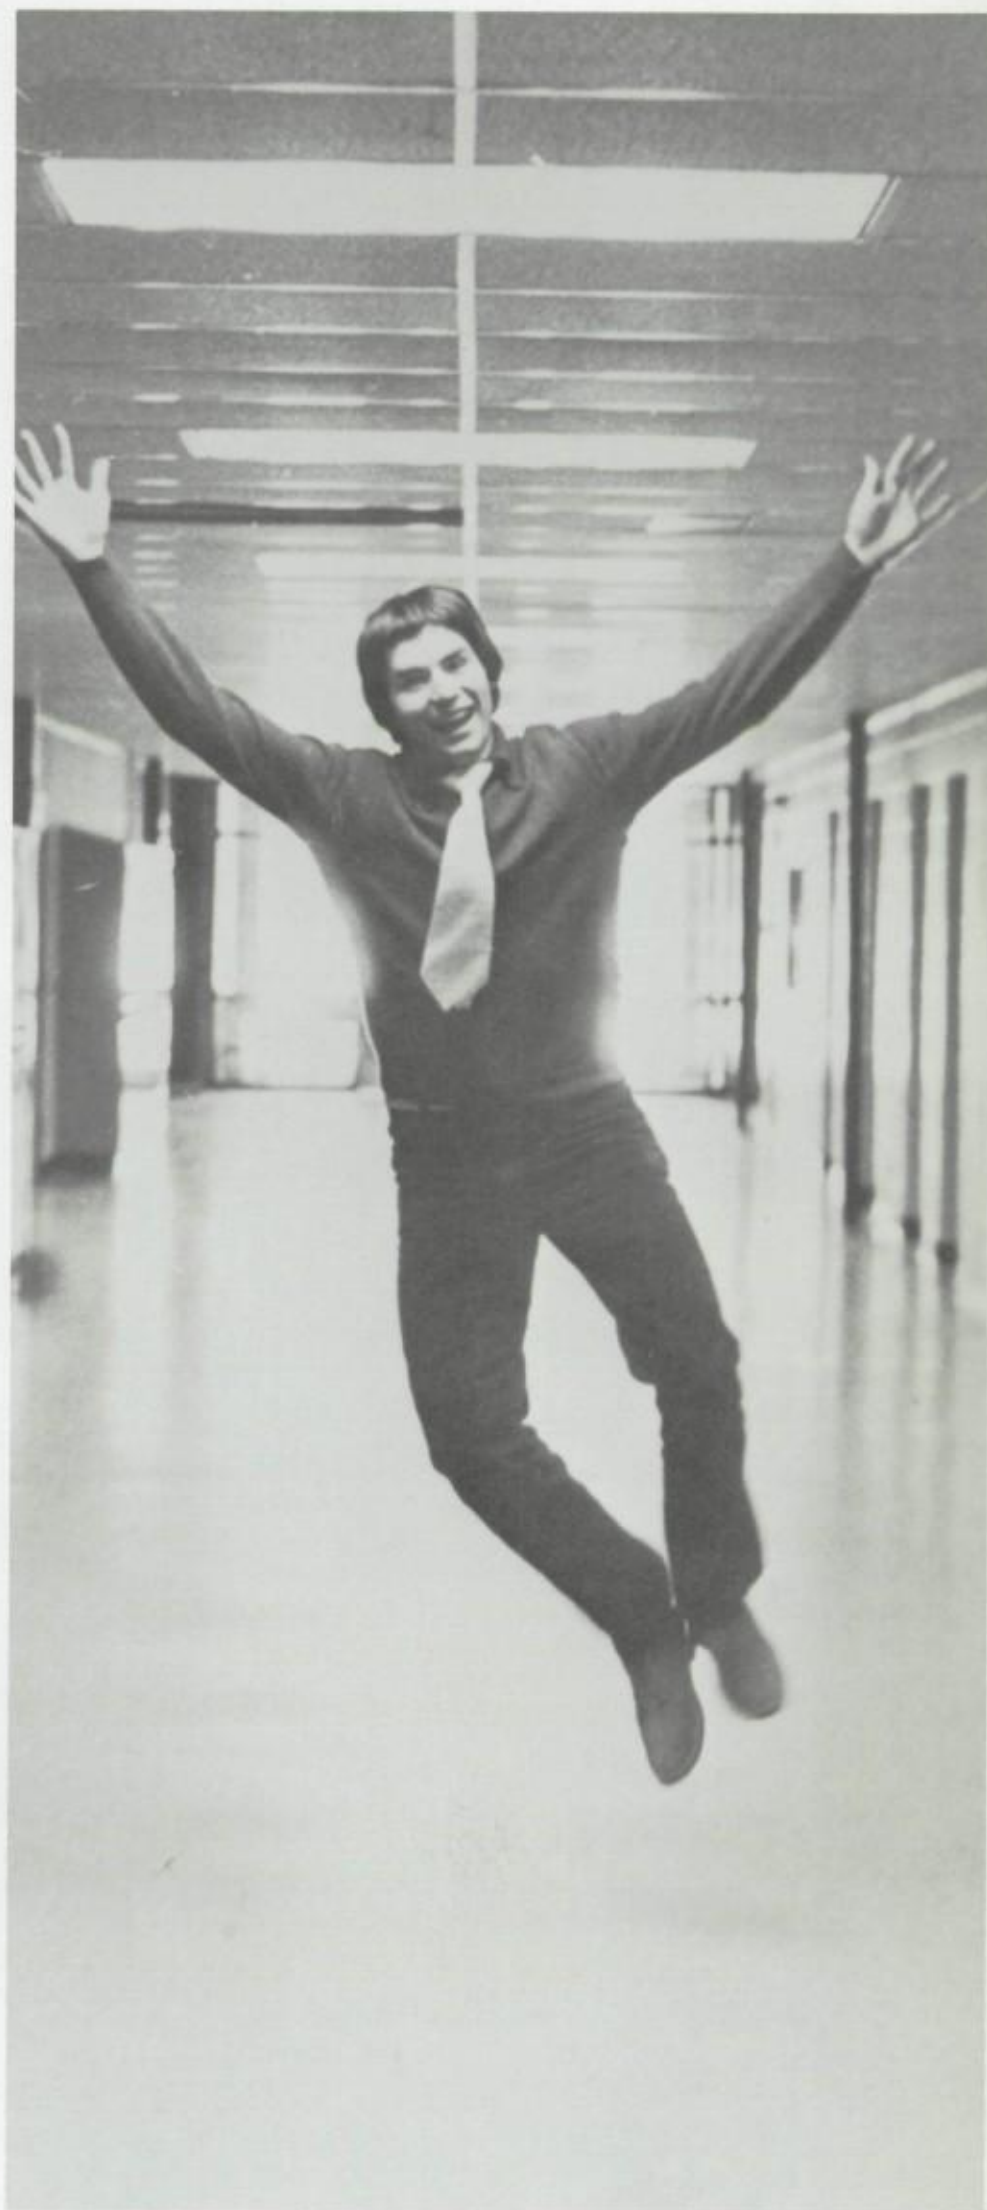

A time to weep,

and a time to laugh;

a time to mourn,

and a time to dance.

A time to embrace;

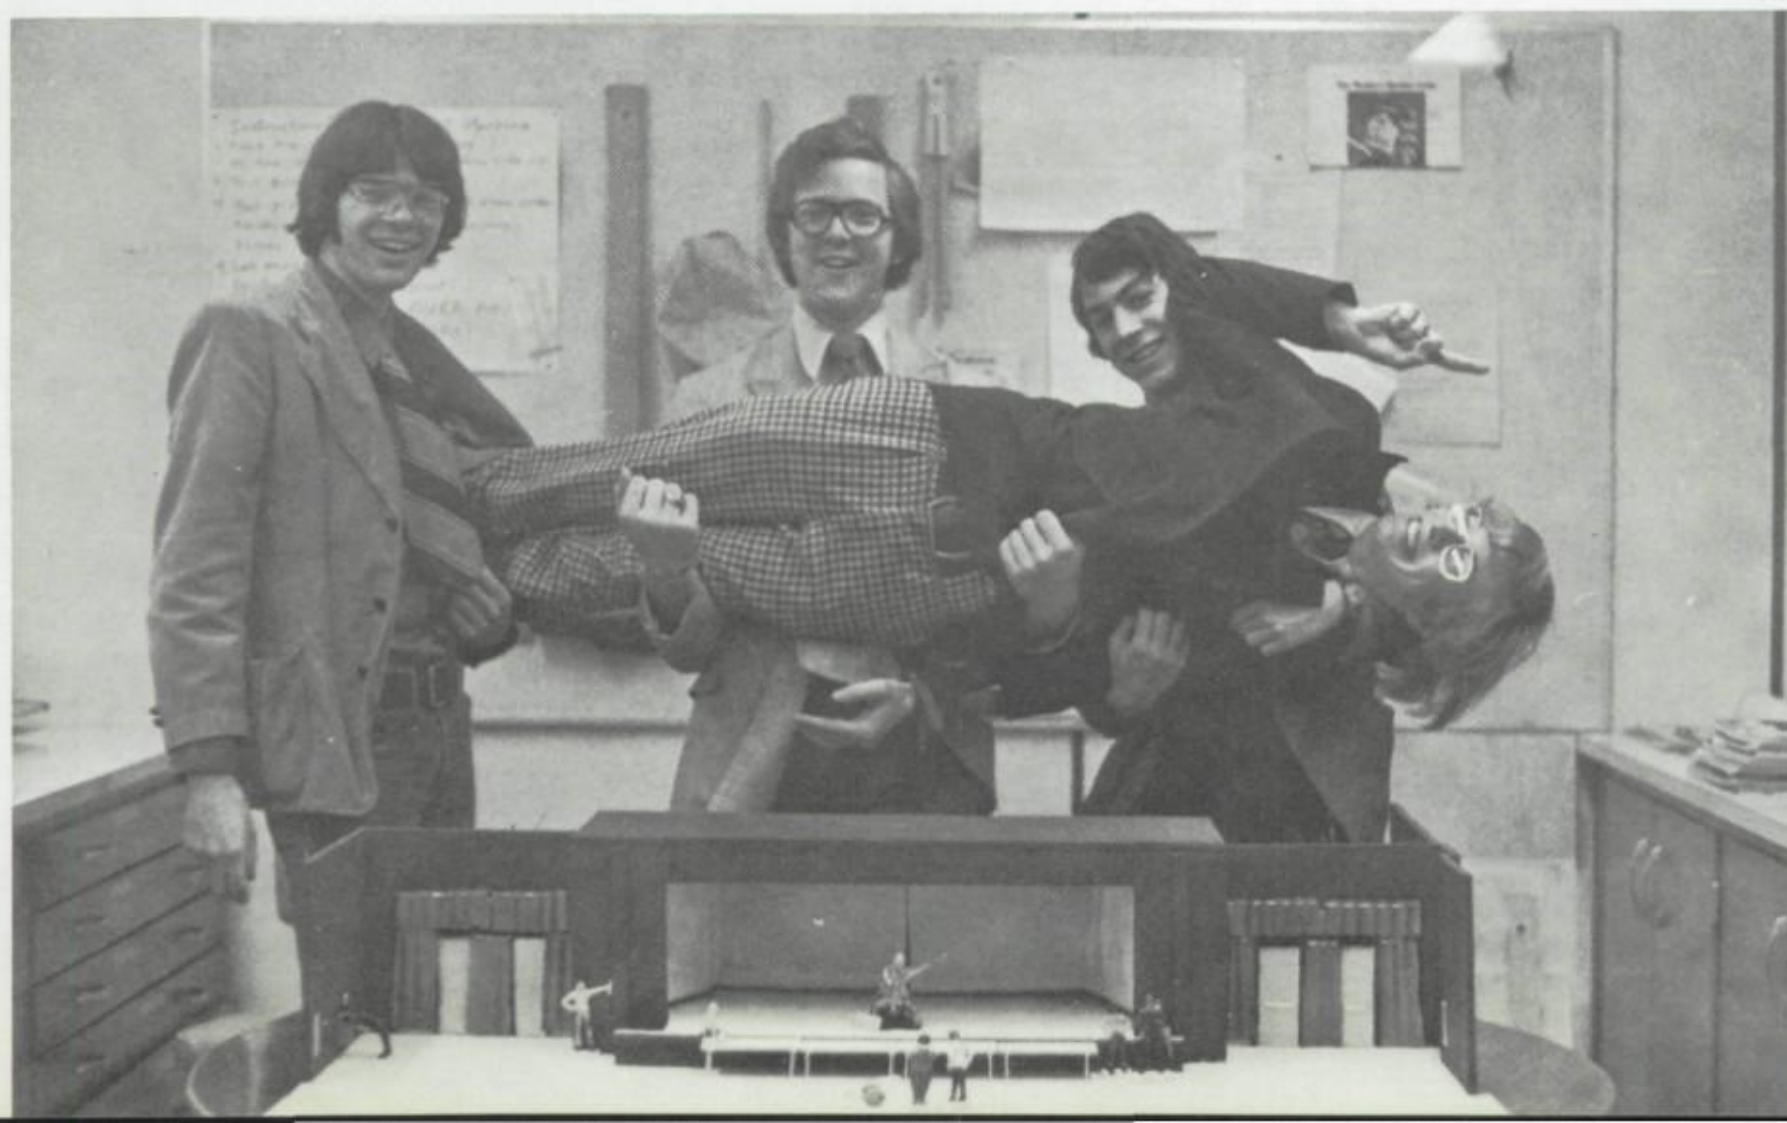

a time to be far from embraces.

*A time to seek
and a time to lose;*

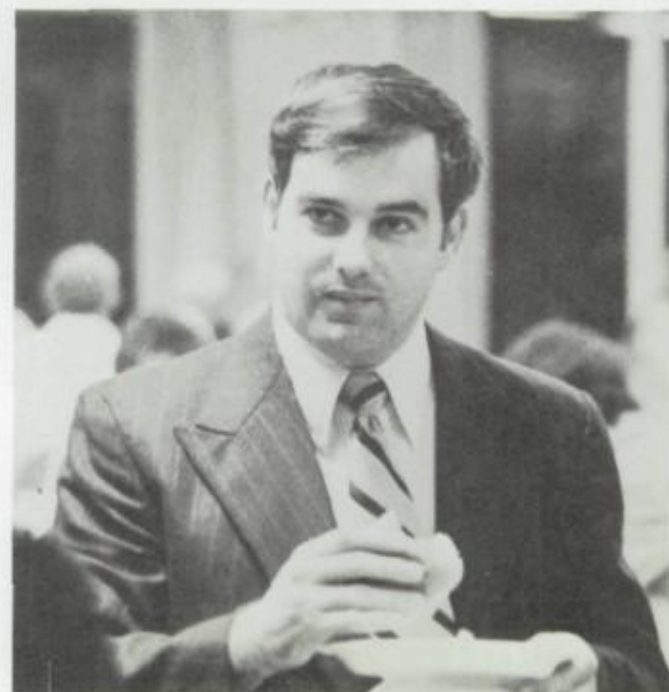

*A time to keep
and a time to cast away.*

A time to be silent,

and a time to speak.

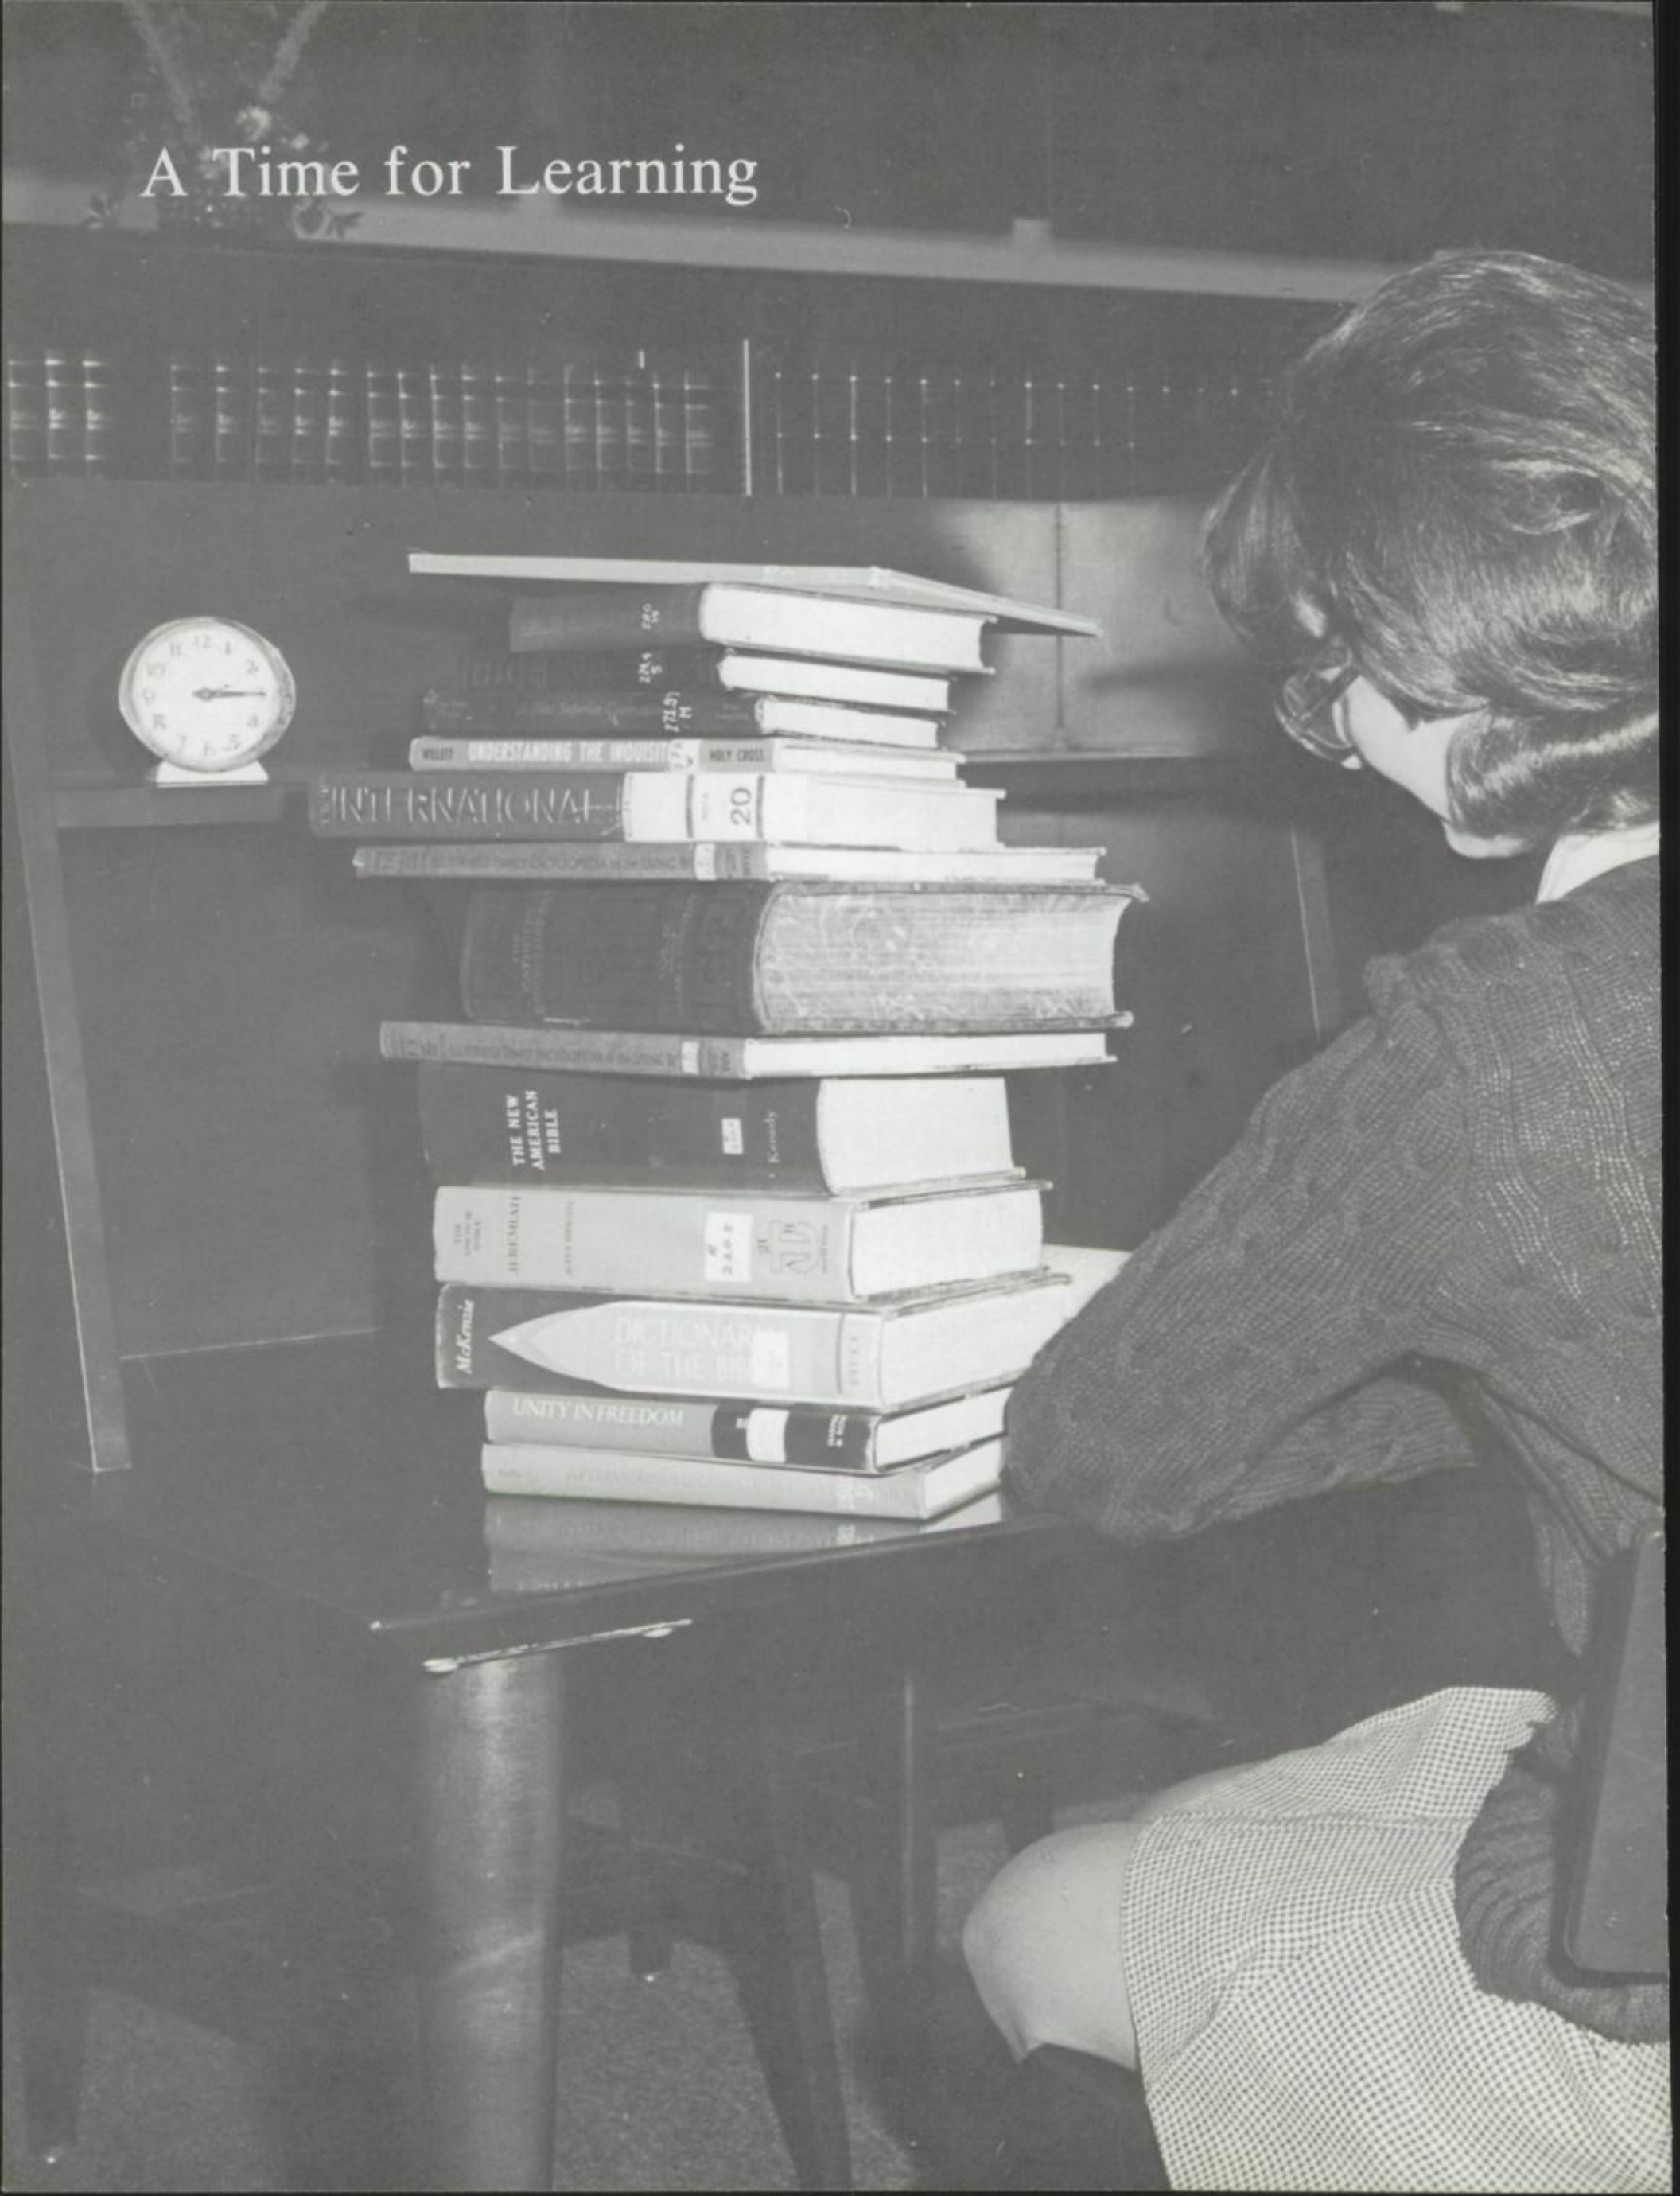

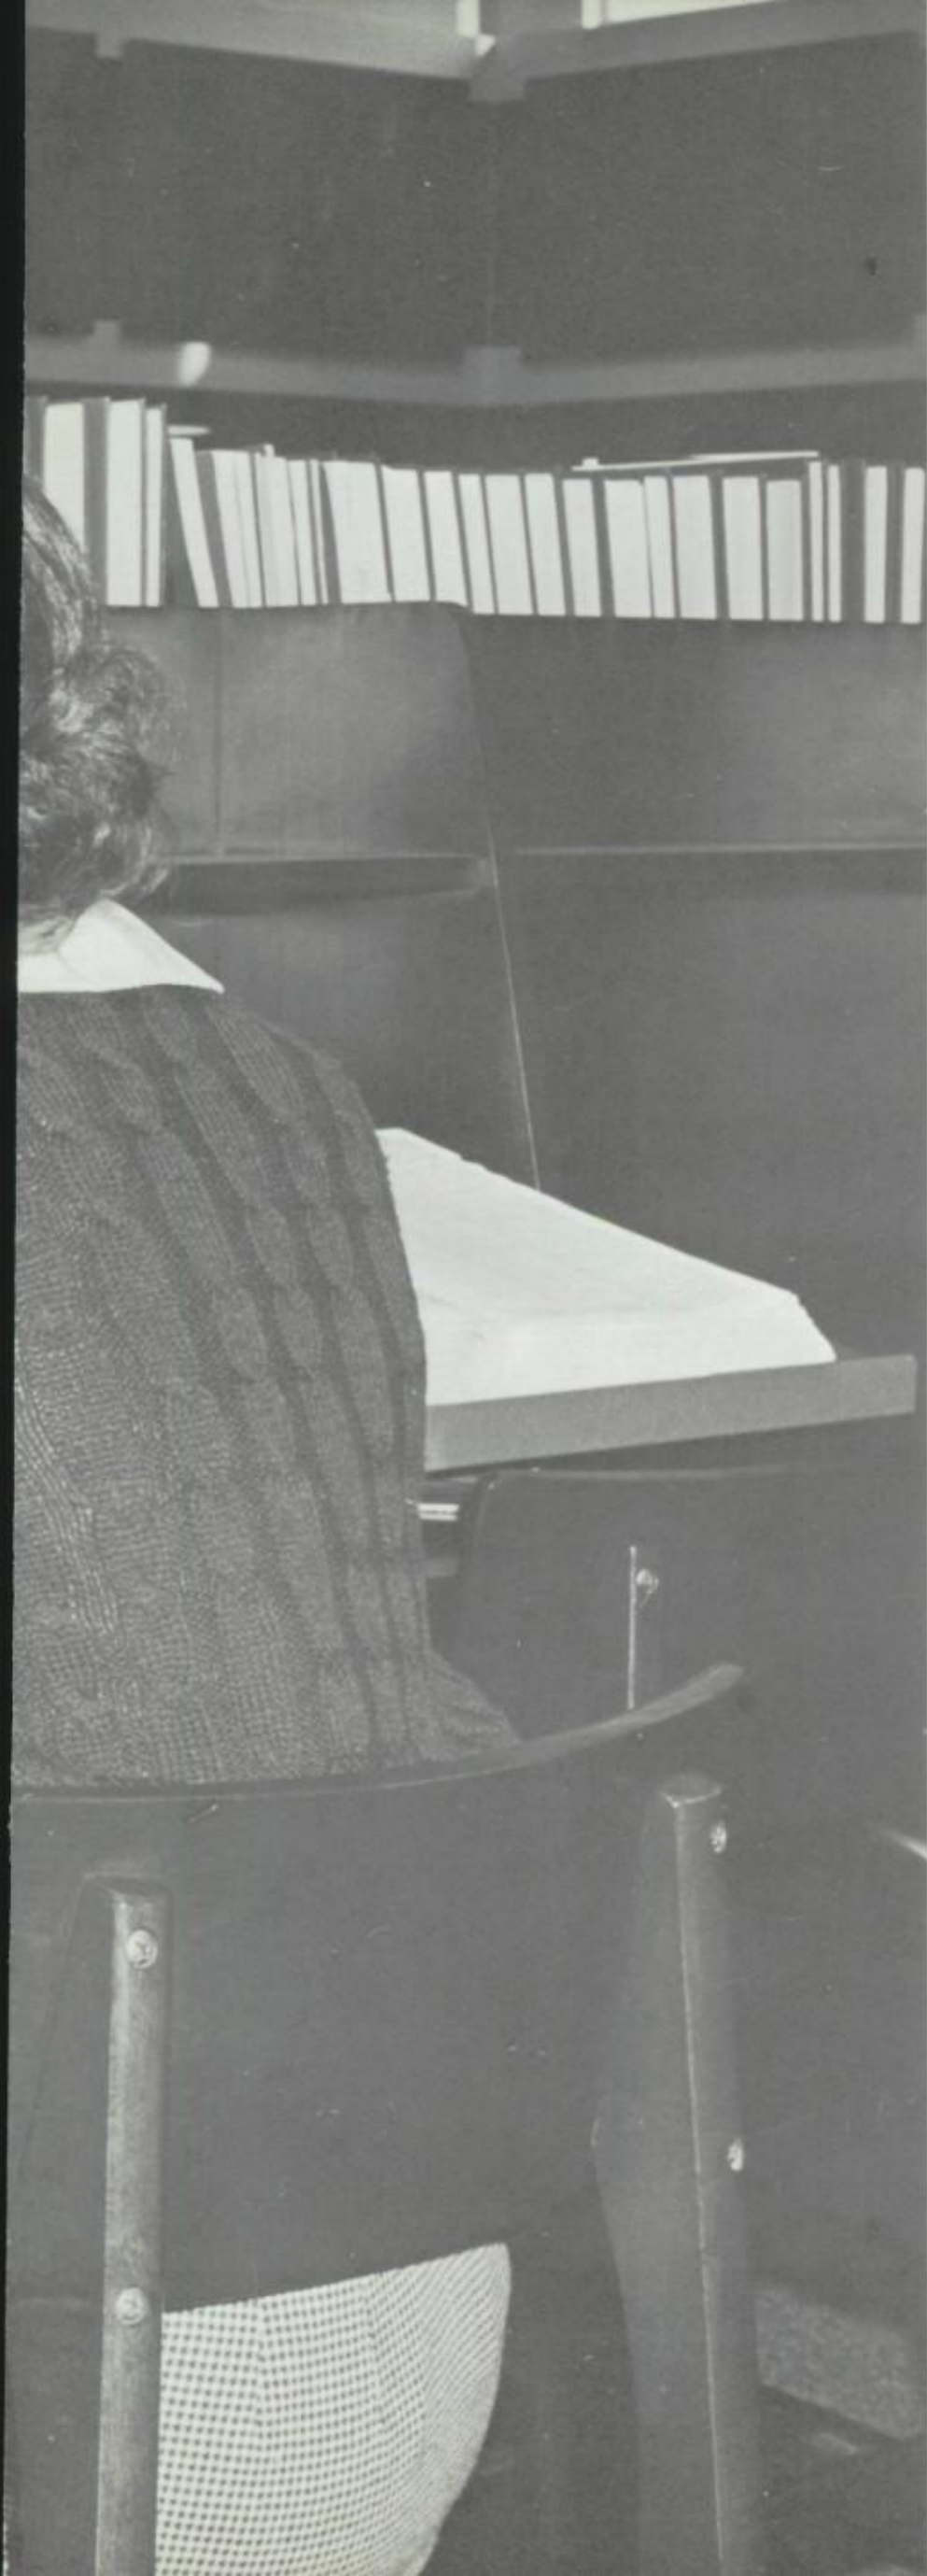

*A time to love, and a time to hate;
a time of war, and a time for peace.*

A Time for Learning

Our Dedicated Administration

A firm and supportive control is necessary to insure the smooth function of any operation. Lumen Christi has at its head a fine administration and staff to guide the student body in all its needs. Under the watchful eye of principal, Fr. Joseph Coyle, the secretarial staff works with untiring dedication to L.C. Assistant principals, Mr. Crowley and Sr. Anne, along with disciplinarian, Mr. Devine, lend their special talents to help complete the picture. This administration tries to use foresight in all of its decisions to make our school year a beneficial, as well as, an enjoyable one. From schedules, to discipline, to co-ordinating activities, Lumen Christi's administration is outstanding in its service to school and community.

The class of '73 appreciates this dedication and would like to thank the administration for the work they took to straighten out any problems we have had in the four years of L.C. life.

Fr. Coyle depends heavily on his secretary, Mrs. North.

Sister Anne takes time off to talk to Mrs. Buckles, while Mrs. North tends to the phone.

Looks like Mr. Crowley is giving Mr. Devine a little disciplinarian advice.

Mrs. Beitelchies writes the day's correspondence.

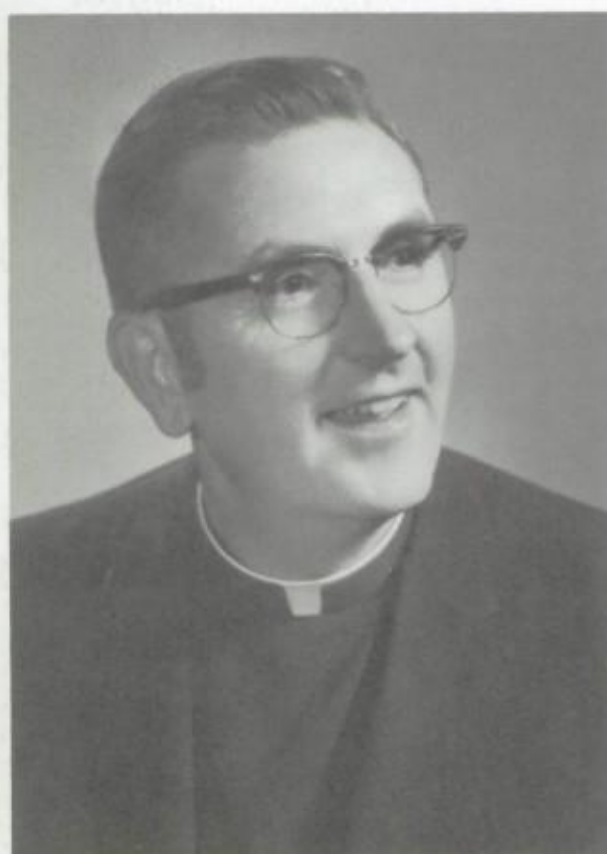

Christy Sponsler, Joe Tomasik, and Mike Yocum profit from Fr. Coyle's advice.

Our Spiritual Leaders of Lumen Christi

The spiritual leaders behind Lumen Christi are the Pastors from the Jackson area: Rev. Joseph Wright C.M., Rev. Leo Ramer, Rev. Thomas Fitzgerald, Rev. Marian Lesniak, Rev. Hubert Rakowski, Rev. Paul Gillespie O.S.F.S, Rev. Eugene Carlen, and Rev. Gerald Chapman. It is with their help that every student in the Jackson area has been given the opportunity for a Catholic education from the grades one through twelve. The pastors have sent representatives from each parish to help re-vitalize the Catholic community Campaign. It is with their dedication, direction, and spiritual guidance that the continuation and growth of Catholic schools has remained in our community.

The class of '73 salutes the Pastors of Jackson. They gave us a chance to appreciate and live the Christian values which we were given the opportunity to study and learn. We acknowledge their help and are grateful for the chance they gave each one of us to attend Lumen Christi. As we were the "Champs," so are they!

Angels of Mercy

The student body of Lumen Christi is blessed with a very fine guidance department. Sr. Marie Leo, guidance chairman, along with Sr. Francis Bernard and Mr. Richard Doll, help students with all kinds of problems—emotional, spiritual, and academic.

Our three "Angels of Mercy" aid seniors in distress with their college plans—filling out applications, taking placement tests, applying for financial aid, etc.

While all of the counselors work with the seniors, each counselor also works with one of the remaining three grades. Sr. Marie Leo helps incoming freshmen not only with their schedules, but with any problem they might encounter upon entering the world of high school. Sr. Francis Bernard, aside from coordinating testing programs is the 10th grade counselor. Mr. Doll advises the juniors and also aids Lumen Christi students in securing employment.

Right—Cherie Zeigler helps Sr. Marie Leo with another one of her pet projects. Below—Sr. Francis Bernard "points" out the facts to Joel Slack.

Dave Bladowski chats with Mr. Doll.

Sr. Marie Leo approves of Lorri Johnson's college application.

Workers Behind the Scenes

Supplying the student body with a nourishing meal this year is a dedicated staff of kitchen workers. The staff consists of: Manager—Mrs. Lucile Harris, Mrs. Irene Smith, Mrs. Angela Davis, and Mrs. Marguerite Duffy. Helping out this excellent staff is a group of loyal volunteers from the student body. Several mothers also volunteer once a month to help take care of the famished student body at the snack bar.

As the cafeteria staff works to keep our bodies nourished, L.C.'s maintenance staff has labored long hours to keep the school in a fine, clean working order. From emptying waste baskets to repairing the furnace, Bill Sedore, Greg Hesslaw, or one of the student workers is always handy and willing.

Our maintenance crew and cafeteria help prove that teamwork keeps Lumen Christi all together and running smoothly.

Above—Mrs. Harris explains one of her 250 ways to fix hamburger. L—You want to drag? Below—Chowtime at Lumen. R—The Good Humor Man.

Parents Support Lumen Christi

Lumen Christi High School has a debt that no amount of words or money could ever repay. This debt is to the parents who have stood by Lumen Christi through the hard times and through the good. Through the five years of Lumen's existence no group of people have shown more pride or support than the parents clubs and organizations around school. The road was long and hard and we the students of Lumen Christi are proud that our parents have decided to come along.

On behalf of the students of Lumen Christi High School, we wish to personally thank the Titan Club, the Parents Club, and the Cafeteria help. We also wish to thank all the parents involved in such activities as the Rummage sale, the Spring Festival, the Immediate Action Fund Drive, the dances, and sport activities.

Religion Applied to Everyday Life

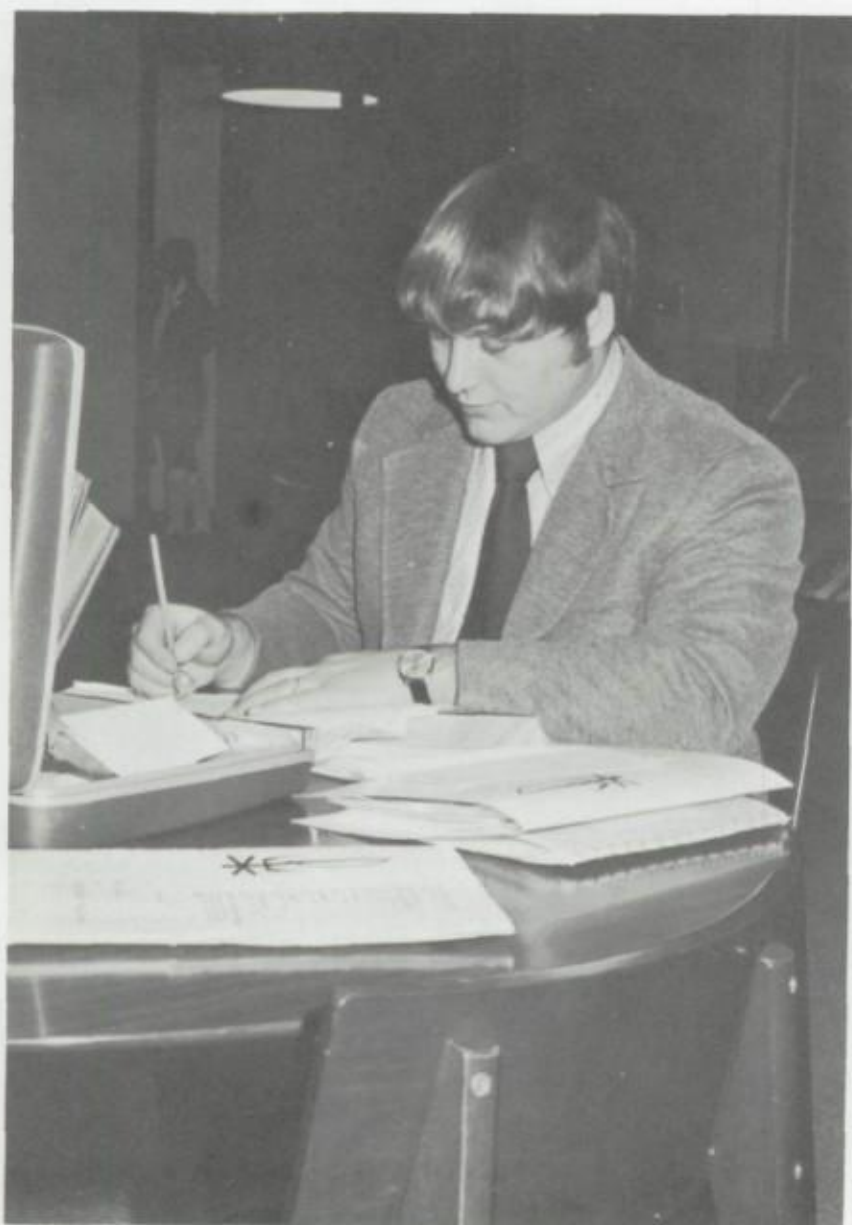

Religion is not a subject, but a way of life. The beauty of Religion is found in actual living, not in text books. Under the guidance of the department head, Fr. Regent, the instructors try to help the student attain a close relationship with God. Through revealing the ideals of Religion in the classroom, the teachers objective is to make the students apply these principles to everyday life and to make them their own. Each member of the Religion Department, in their own special way, adds to the completeness of this group. The Religion Department includes: Fr. Lynch, Sr. Nancy Marie, Sr. Ann Regina, Mr. Powers, Mr. Sykes, Miss Graziadi, and Miss Bullinger.

Right: Fr. Regent dreams up another essay test. Below: Sr. Nancy exemplifies another lesson from the good book.

Miss Bullinger relieves her high school years.

Left: Mr. Powers diligently plans his daily schedule. Above: Junior boys enjoy Mr. Sykes home movies.

Cultural Part of Learning

This year, in the Language Department at L.C. we have three new teachers. They are: Mrs. Skrocki, Sr. Anne Regina, and Sr. Mary Remi. Sr. Remi is also the department head. Miss Graziadei is the Latin teacher who has been faithfully teaching her students the study of Roman life, besides the skills of the Language. Sr. Anne Regina has been teaching all her French students the culture of the French, as well as, the proper way to speak and sing it. Mrs. Skrocki has been showing her first year Spanish students the proper ways of writing, pronouncing, and speaking the Spanish Language. Besides speaking and learning the Spanish Language, Sr. Remi's classes have been going into the history and background of the culture of the Spanish people, especially with her 2nd, 3rd, and 4th year students. All three of the languages are offered for four years to all students.

Above right—Precision is essential when taking dictation. Below—Sr. Remi is proud of her Spanish Class.

Sr. Elizabeth instructs her students on how to use the language lab.

English; Basis of Human Relationships

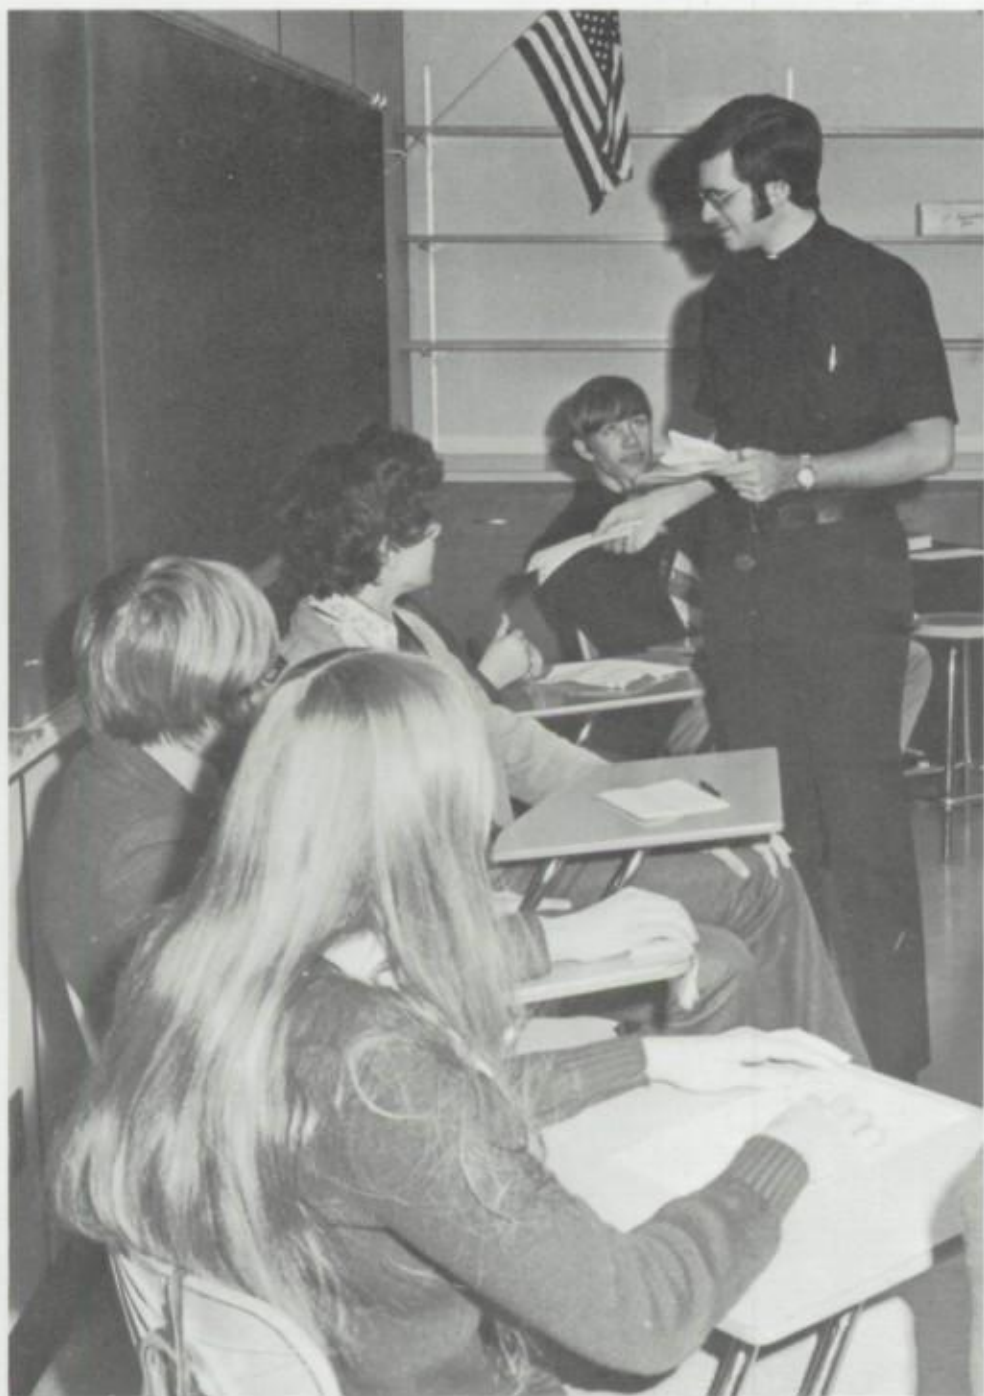

Language, the basis of all human relationships, is one of man's most practical and valued assets. The English department of Lumen Christi is aware of the importance of language in communicating thought. Students are taught to utilize the language most effectively in expressing their thoughts and in interpreting the thoughts of others. This is accomplished through writing, speaking, and reading. The knowledge the students have gained, and their effort is evidenced in the *Word of Youth*, a collection of students' prose, poetry, and art. This opportunity is provided by the work of the entire staff, headed by Sr. Julianne, and including Sr. Christine, Mr. Roger Roty, Mr. David Swartout, Sr. Margaret Patrick, Mr. Anthony Sutton, Sr. Fidelia, and Mr. Feigenbaum.

Rita Galicki gets a helpful hint from Sr. Julianne.

Past, Present, and Future

The field of Social Science includes many courses which enables the students of L.C. to understand and appreciate the world in which they live. The Social Science Department is headed by Mr. Dan Atkin, and consists of Br. Grant, Mr. Herbert Brogan, and Mr. Patsy Arpino. The courses taught are: Western Civilization, American History, Contemporary Civilization, Government, Economics, Sociology, and Psychology. Students learn many new ideas pertaining to the world in the past, present, and future.

Two Plus Two Equals Five

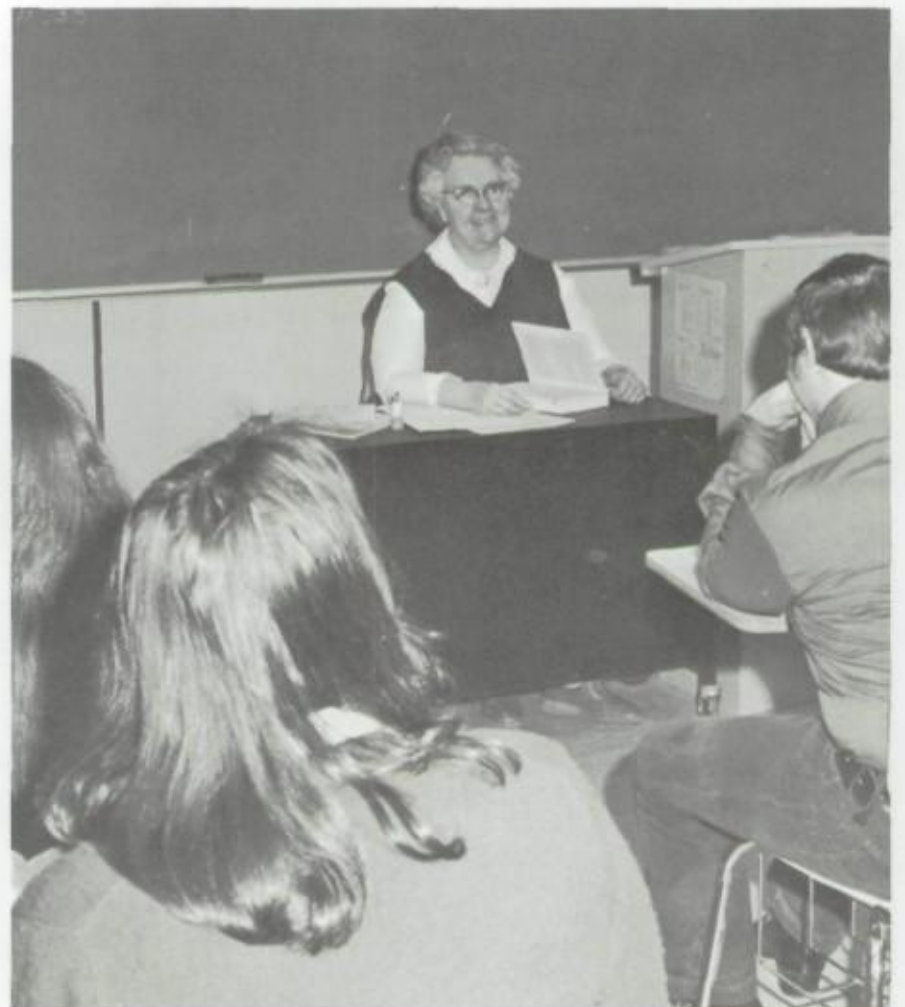

In keeping with the fast moving advances made in today's world, Math has become increasingly important in more fields of study than ever before. To meet this challenge, Lumen Christi offers a wide variety of Math courses. These courses start with the basic fundamentals of Math and progress through Algebra, Geometry, and Pre-Calculus. The areas covered by these courses enable the student to prepare for his future, whether he is college-bound, or planning to go right to work. The Math department, headed by Fr. O'Donnell, consists of Mr. Anthony Borton, Sr. Jean, Sr. Elizabeth, and Fr. Lynch.

Sr. Elizabeth points out a basic axion to her Algebra I class.

Fr. O'Donnell admits to his Calculus Class: "Sure it's wrong, but who cares!"

Sr. Jean sincerely denies that she was a singer in a "rock 'n roll band."

Above—Happy days are here again. Below—Mr. Borton enthusiastically re-emphasizes "Algebra is fun!"

Minds Opened by Scientific Research

Throughout the past century, man has acknowledged numerous changes in the field of modern technology. Many unanswered questions force man to probe deeper into more scientific explorations. At Lumen Christi, students become more aware of the problems involved in their environment. Young scientists are given the opportunity to explore, rationalize, and relate ideas; extending their knowledge within today's everchanging technological world.

The Science Department, under the direction of Sr. Ruth, offers varied courses of science curriculum. Other science teachers are: Mr. Torri, Mr. Skrocki, Sr. Barbara, Mr. Perticone, and Mr. Devine.

Sketch a Picture with Your Mind

Art and Drafting are two skills combined that take time, effort, and patience. Students, as well as, teachers experience the different moods connected with art and drafting. The teachers mentioned above are Mrs. Winzeler and Sr. Aloysius. Together they constitute an inspiration that lasts the whole year round.

Laurel Murphy prepares her drafting project under Mr. Winzeler's watchful eyes.

Above Left—Imagination is what it takes. Above—My God, it's alive!

Mrs. Winzeler encourages her art students.

Drafting is a combination of precision and concentration.

Business Before Pleasure

Many teachers provide students with the necessary ability to work in a world of business. They are: Business department head, Mrs. Margaret Swartout, Mrs. Donna Ambs, Mr. Jim Van Buren, Br. Charles, and Mr. Griehs.

The business courses offered to the students are—Accounting, Typing I, Personal Typing, Shorthand I; Clerical Block, which consists of Typing II, and Office Practice, and a Secretarial Block, consisting of Shorthand II, Typing II, and Office Practice. Each student involved in this course of business is sure to face the world outside with heads held in high esteem.

Mr. Van Buren asks Stevie Dunigan how he managed to juggle the books.

Above—A smile never hurts. Below—Mrs. Ambs is responsible for her work, too.

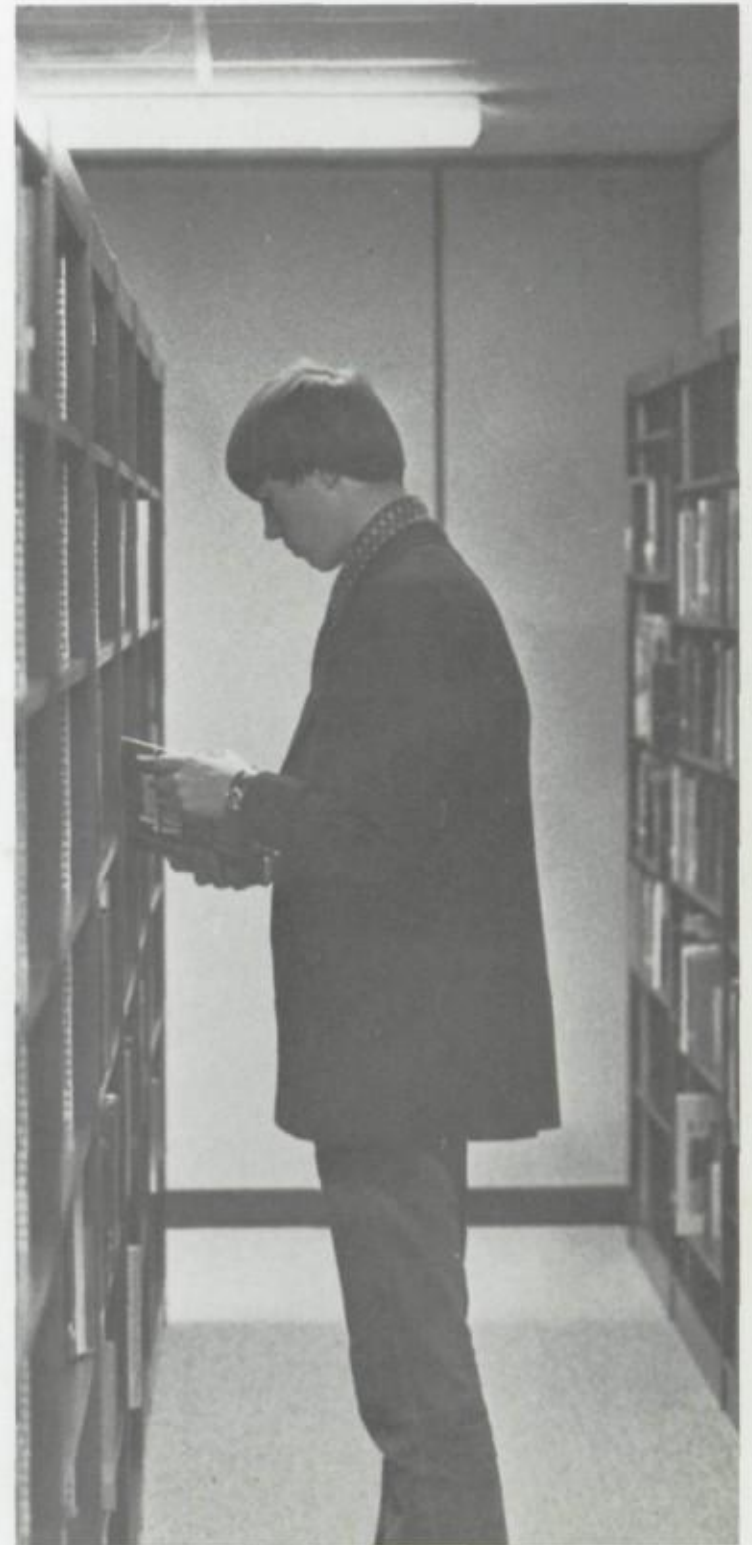

Mr. Griehs lectures his first year typing class.

Atmosphere of Peace

The library is the place where students, as well as teachers, fall in love with their books. Silence is maintained from the time someone enters the library, to the time he leaves. Sr. Jane has the responsibility of taking care of all the books, encyclopedies, index cards, magazines, newspapers, and many times—students. She is assisted by Mrs. Hartman, and Mrs. Cook, who help organize the library's smooth functions.

Above Left—Lorri sneaks between classes to put her book back. Above—Ed is absorbed in his reading. Left—Sr. Jane is a stock broker during the summer months.

Do's; Don'ts of Home Ec Department

The Home Economics Department at Lumen Christi is both helpful and informative to those students wishing to try their hand at sewing and cooking. The Foods Department is headed by Sr. Barbara and both girls and guys participate in the art of cooking. The students begin by learning the fundamentals of operating an oven to boiling water.

Although the field of designing is headed by mostly fashion-conscious men, there are few boys participating in the school's sewing department, headed by Sr. Margaret Celeste. The girls dominate this course and make a vast assortment of clothes. In the Home Economics Department you learn the do's and don'ts of today's fashion-conscious world.

Above—A little dab will do you. Left—"You've got to put the thread through the needle," Says Sr. Celeste. Below—Sewing is for the creative.

Bookstore & A.V. Department Aid L.C.

The Bookstore and A.V. Department is one of the many departments in the school that makes life easier for the students and faculty of Lumen Christi. The Bookstore, run by Mrs. Maes, carries books, papers, pencils, pens, and anything else a student might need. Mr. Roger Roty is also an efficient worker in the Bookstore.

The A.V. Department, headed by Mrs. Hartman, aids teachers in their lesson plans. Overhead projectors to write notes, movie projectors to enforce lessons with a movie, film strip projectors to instruct, is just part of the A.V. Department's responsibilities. Teachers use this equipment to make learning more enjoyable.

Left—Mrs. Hartman puts the finishing touches on the bulletin board display. Below—Mr. Roty seems quite the man to meet this situation, when Mrs. Maes isn't around.

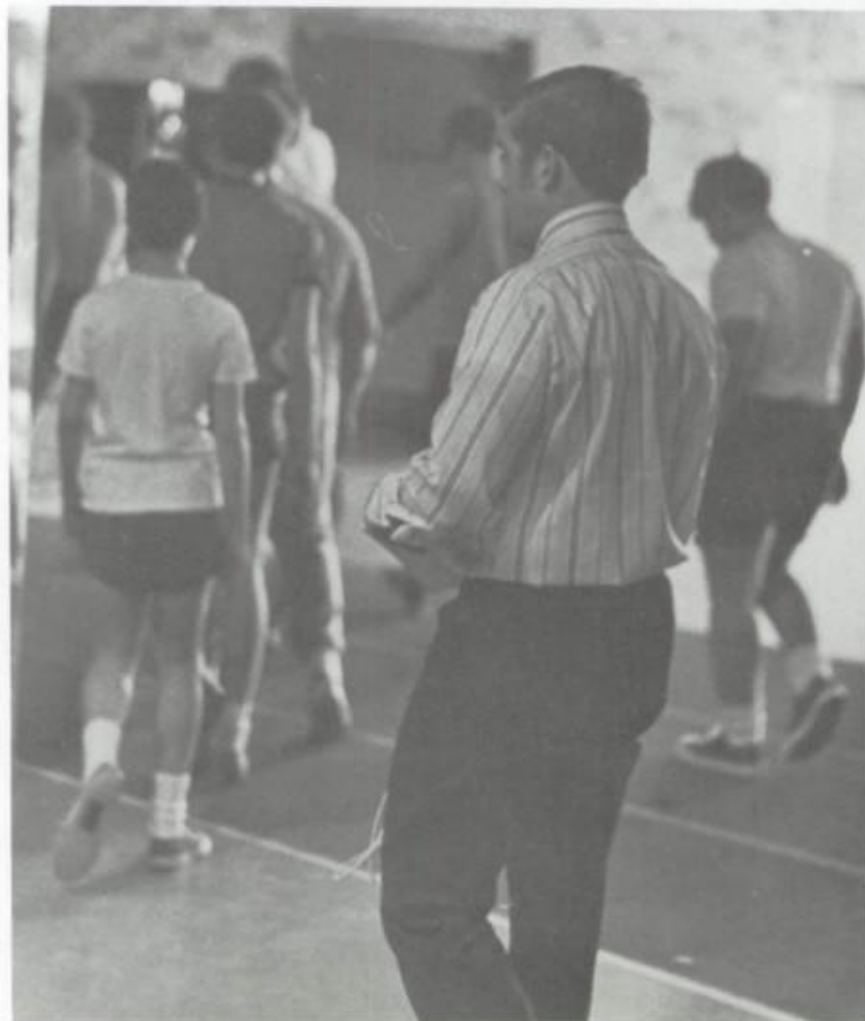

A Time for Fitness

Physical Education classes at Lumen Christi are a vital, involved part of school curriculum. Development of motor coordination and enjoyment of activities are the goals of such sports as basketball, gymnastics, soccer, and baseball. Every student is invited to excel in his individual skill.

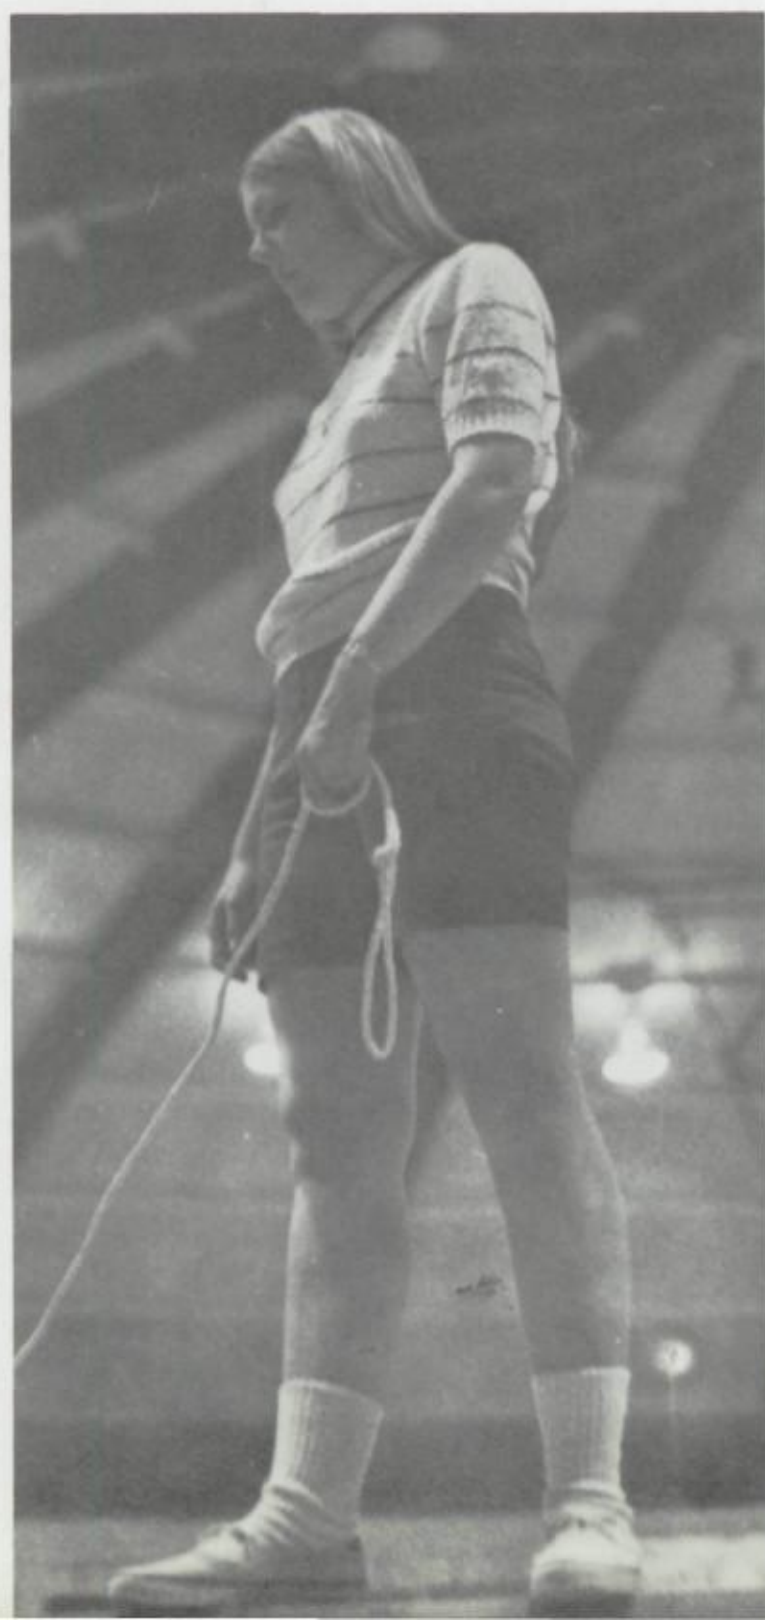

Mr. Tom Goodwin and Mrs. Nancy Gaskell are the able leaders of students of Phys. Ed. Under their watchful eyes, students become practiced dare-devils of physical stunts.

The '72-'73 Phys Ed program was varied and challenging. Students readily accepted both.

Right—Tomorrow's going to be another day. Below—Susan Korc is a one-girl team.

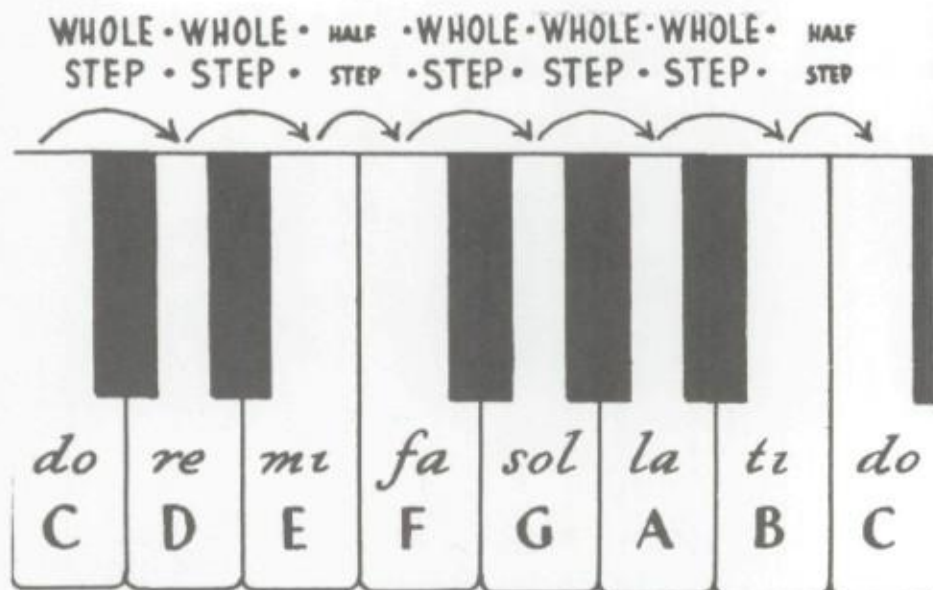

Top—The army never had it so good. Left—Mrs. Gaskell holds another routine together. Above—Only a few survive the 5th lap around.

Understanding Music

Mr. Richard Feigenbaum and Fr. Calvert head the Music Arts program. With their guidance, the students learn to understand and appreciate Music. Much of the class time is taken up studying the history of music and, of course, singing. This class is interesting and enjoyable by all those involved in Music.

Below—It's sing along with Father time! Above—"Today, class, we're going to try to stay awake."

Fantastic L.C. Band

Among the words to describe this year's Lumen Christi Band, only one word does the job—Fantastic! Under the direction of Mr. Carl Baschal, the band has improved remarkably. They now sound better than ever, too. The band has finally reached one of its chief goals, which was to get uniforms to make the band's appearance more *appealing*. The band is also increasing in number every year. So if you don't have a hobby, join the better and ever-improving Lumen Christi Band!

Above—Our "homecoming" band. Above Right—Like father, like son. Below—The Saturday night half-time often starts Monday morning.

Show Biz

If you have a sweet tooth for culture right on up to slap-stick, our Drama Department has surely satisfied it with this year's variety of enhancing medieval plays, knee-slapping talent shows, and cute little musicals. With the instruction of Mr. Anthony Sutton, Fr. Calvert, Mr. Skrocki, and devoted dramatic "troopers," the drama class has experienced and shared the tedious work and sweat of theatre production. "The Second Shepherd's Play" and "Noah" were valid instances of the sufferings of Show Biz. The 1973 Variety Show involved tears, pies, hysteria, water, and shaving cream. Yet the drama class paddled right into our spring musical "The Bells Are Ringing" with new inspiration (in other words, players) and a cast loaded with talent.

Right—There is more than one way to get into Show Biz. Below right—Two first-year Drama students trying to act.

Pep Club, Promoters of School Spirit

Whether its dancing a polka, selling balloons in the rain, or painting signs to boost the Titan spirit, the Pep Club is behind you at all times! When moderator, Nancy Gaskell, opened the doors on Tuesday evenings, the ever faithful pep club trooped in eagerness to promote school spirit. The officers are: President, Melanie Powers; Vice-President, Debbie Richardson; Secretary, Rose Hammond; Treasurer, Cheryl Postl.

Student Council and Their Goals

The Student Council of 1972-73 began its work in July with the revision of the Parent-Student handbook; followed by the annual August book sale, which in itself had a new organized look this year.

This pattern of student orientated activities continued throughout the entire school year. Such traditional activities as the Thanksgiving and Christmas Basket drives, Titan Week, Mardi Gras, Student Exchanges, and the Bowling Tournament were changed slightly for the better. It is a known fact that the changes brought about better student participation than in the years past.

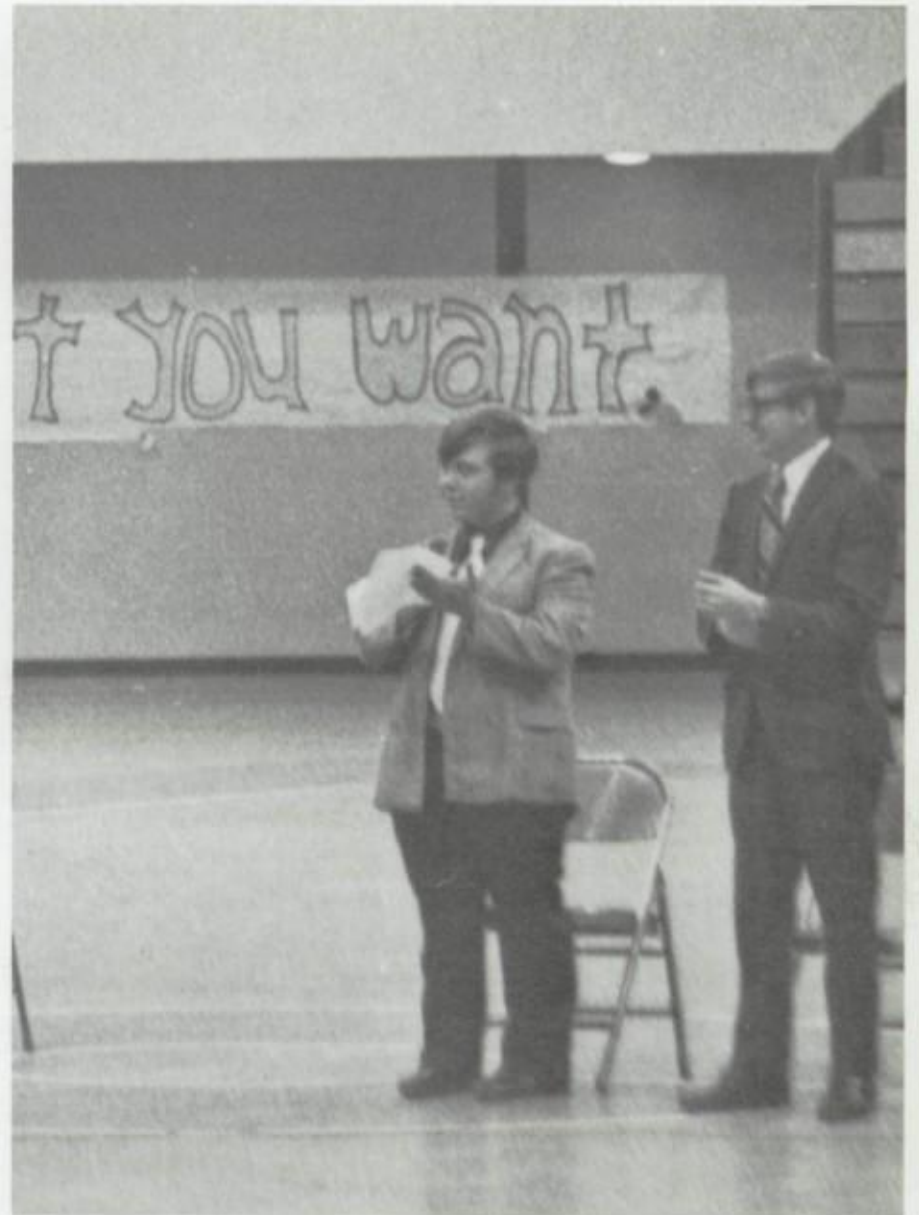

The goals of the Student Council were to change the image from a "dance" council to an active line of communication from the students to the administration; and to bring about more student participation for the betterment of L.C. The Student Council believes it has succeeded in both.

The Student Council moderators are Mr. Anthony Borton, assisted by Miss Josephine Bullinger. Without their diligent work and guidance, the Student Council could not have accomplished much of what they set out to do.

Saturday in the Park

The Lumen Christi 1972 Homecoming, held on October 21, began with a parade which assembled at school before the Harper Woods game. Even though it rained steadily throughout the entire game and half-time ceremonies, it didn't keep our loyal fans and students away. At half-time the long awaited announcement came. Last year's Queen, Margie Kuhl, crowned the happy King and Queen, Rick Zantop and Sue Pupino, at the 1972 Homecoming and Anne Rainey and Pete Lefere as first runners up. Cherie Zeigler and Tony Abler were second runners up, Janet Sauter and Gary Smith as third runners up, and Jan Clark and Kurt Kulpa as fourth runners up. The Titans capped off the evening with a strong 41-0 victory over Harper Woods.

At the dance, the sophomore's efforts showed through with the theme, "Saturday in the Park." The evening came to a close all too soon, but the memories of that wonderful night will linger on.

Two Big Events: Titan Week & Mardi Gras

Two of the big events that happen at school are Titan Week and Mardi Gras. Titan Week, this year, took place at the end of October in preparation for the Grand Rapid's West Catholic Game. Things like Color Day, Hat Day, Tag Day, and initiation all added to the excitement of the Titan Week. This was set off with a bonfire on Thursday night that raised the pitch of excitement till it let loose on Saturday night.

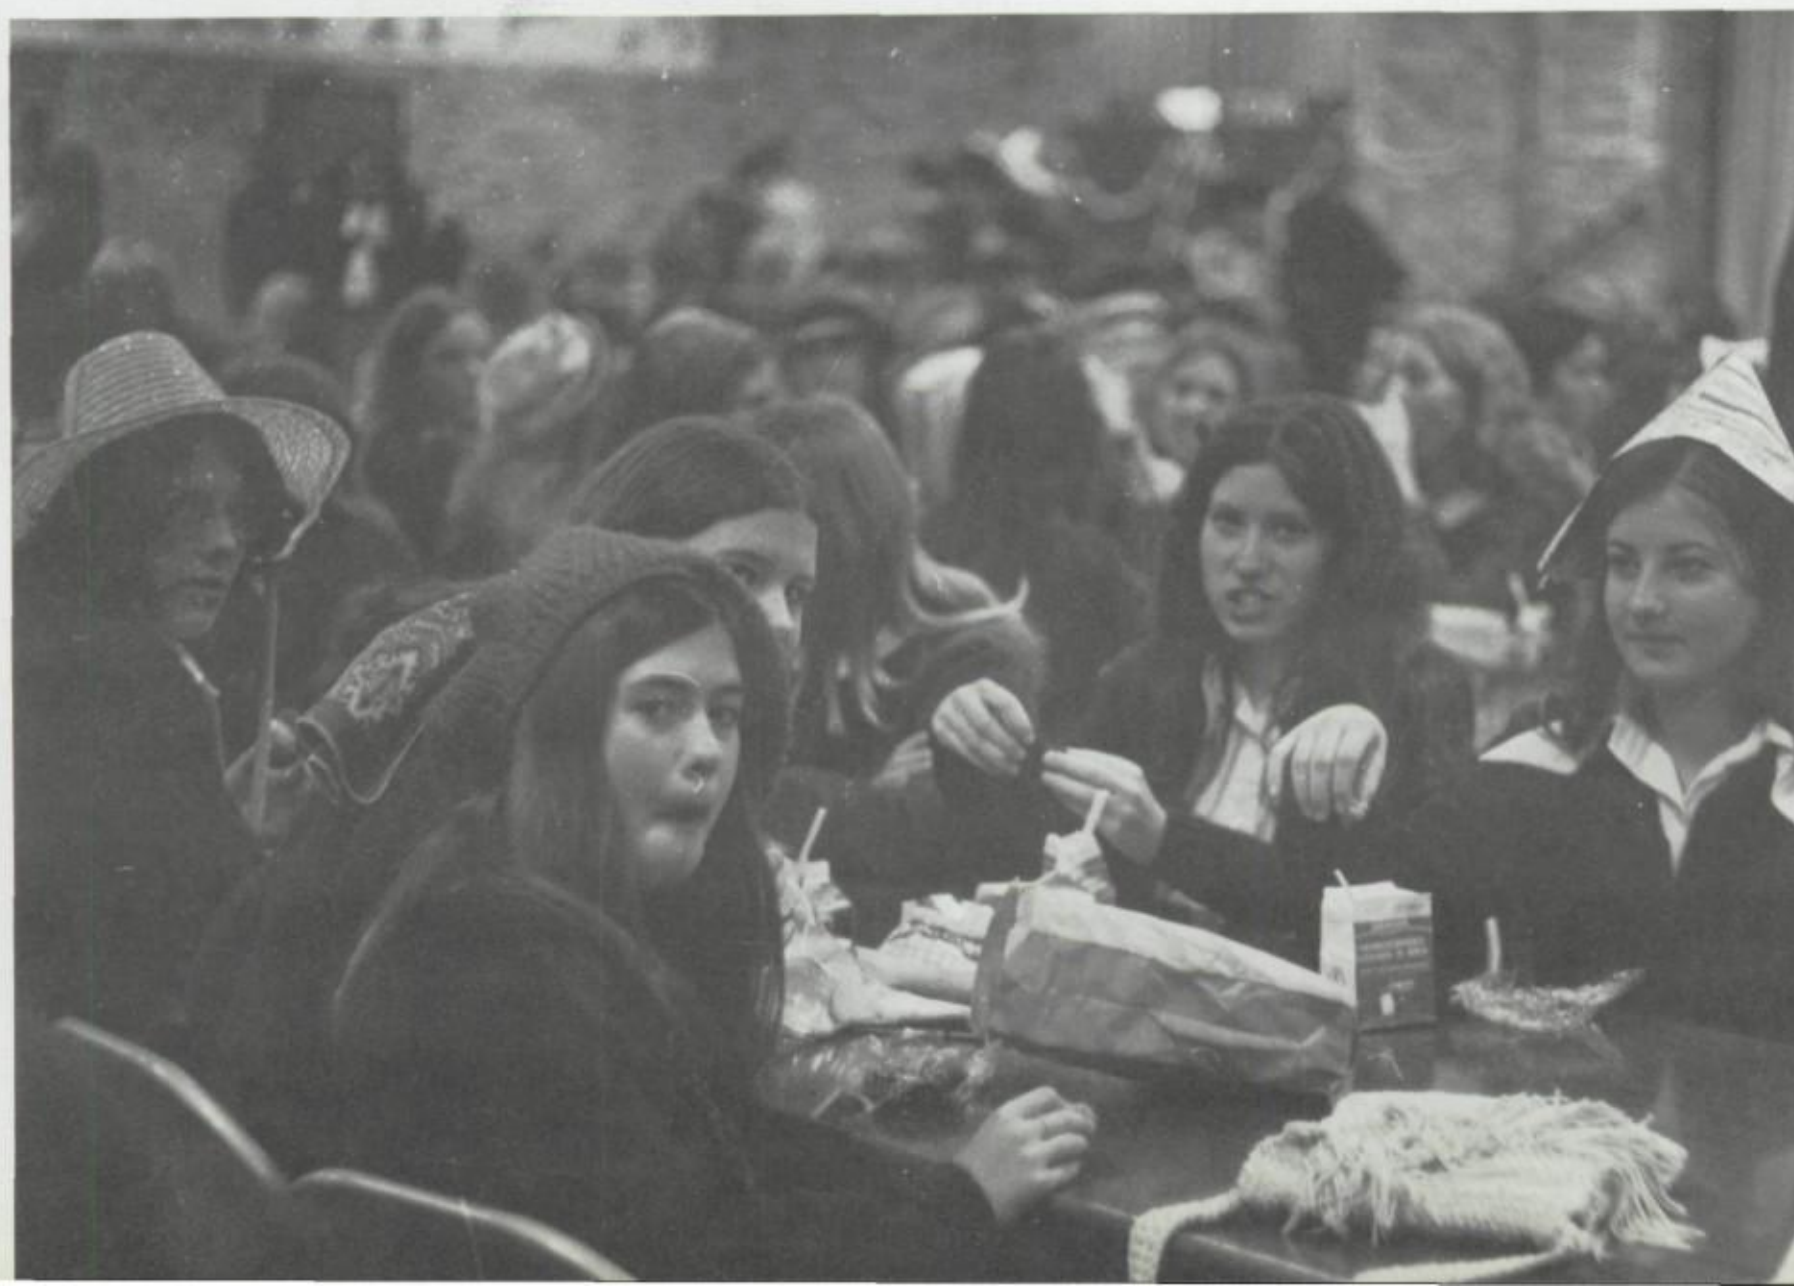

Mardi Gras is an opportunity to contribute money to the missions while, at the same time, have some fun. This year's Mardi Gras was on March 2. Every class sponsored a booth. Things like tricycle races, movies, flea markets, art booths, and the jail were some of the most exciting events of the day. All in all, the Mardi Gras turned out to be a big success.

Expression of Individualism

Every student is an individual with individualistic tastes and talents. Lumen Christi is proud of the many clubs which express and encourage this individualism.

Culture Club, National Honors Society, Chess, and Latin Club symbolize activity and enjoyment while learning, and the Dance Club, Pom pom girls, and Majorettes express their talents in physical activities.

One of the most active organizations is the Titan Times staff. Editor, Jane Svinicki, with the help of moderator, Sr. Francis Bernard, and a capable staff, publish an interesting paper covering current school events, editorials, and feature stories. These clubs provide all students to get involved in Lumen Christi.

Marching Stage Crew

Once again, the Lumen Christi marching stage crew came through as a vital segment of the drama department. This year, under the new and inspiring direction of Mr. Richard Skrocki, the crew constructed sets for everything from a medieval-miracle play, to the best variety show in the history of Lumen Christi, while, also providing lights for these shows and band concerts, as well.

What is the incentive for all this diligent work? The annual award of a golden mail, of course. This year's recipients were Kathy, "Munchkins", Mrozcka and Regis Coyne, who have inspired the rest of the crew to follow in their paths.

Today—stage crew, tomorrow—the world!

COLOR MY WORLD

Mr. and Mrs. Gerald Johnson, Mrs. Alfons Bladowski, and Mrs. B. E. Tuttle, converse about the prom.

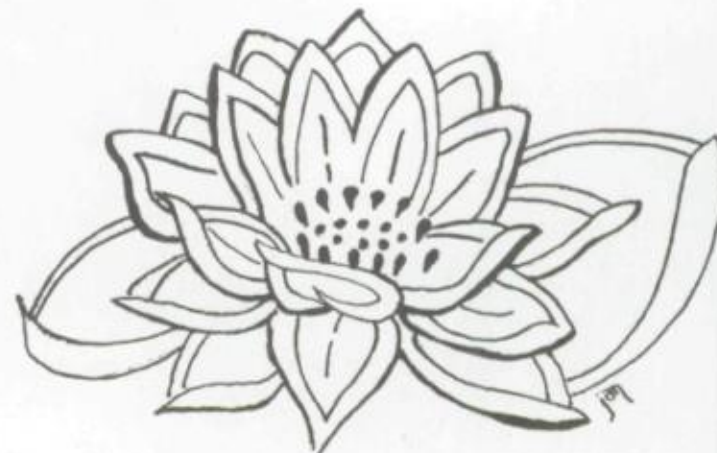

No one wanted to see another chocolate candy bar or tissue paper flower again. But that was before we realized the magic they contained . . .

On that bewitching night of May 13, 1972, the Lumen Christi Cafetorium was transformed into an enchanted garden. Trees, swings, brick walls, and flowers all helped to create the mood. A rainbow backdrop gave the impression that the garden was "Somewhere over the rainbow." The class of '73 diligently worked until the last minute, waving their magic wand to obtain a beautiful setting for a wonderful night.

Later that day the hard-working elves became beautiful princesses with their handsome princes. As the couples drifted under the trees and danced to the mellow strains of "Salmagundi," they agreed that the theme of "Color my World" had been beautifully accomplished. It was a night the classes of '72 and '73 could never forget.

Jan Conklin awaits her escort.

in the hearts of their fans.

One of Coach Crowley's goals for the 1972 Varsity-Football season was to win the opener. The "Never Say Die" determination of the Titans carried them through to a 28-25 win over Ann Arbor. This was just a beginning, as the Titan machine rolled onwards to win the next six. They retained the City Championship for the second consecutive year, received the Bishops Cup for a 48-0 win over Lansing Catholic, and brought back the Brown Jug after overpowering Flint Powers 13-7. The quarter-backing skill of Tony

Abler, the pass-receiving ability of Steve Farrell, the power-running of Pete Lefere, and the hard-working Titan defensive squad, combined to hold their opponents scoreless for three straight games. The loss to Grand Rapids shattered our chances at the State-Championship title; but the Titans lived up to their Number-One image and ended the season with a 48-6 romp over Parma Western. The final poll placed the Titans number four in the state, but they will always be Number One in the hearts of their fans.

If

*If you can keep your head when all about you
are losing theirs and blaming it on you
If you can trust yourself when all men doubt you
But make allowance for their doubting too;
If you can wait and not be fired by waiting,
Or being lied about, don't deal in lies,
Or being hated, don't give way to hating,
And yet don't look too good, nor talk too wise.*

*If you can dream—and not make dreams your master;
If you can think—and not make thoughts your aim;
If you can meet with Triumph and Disaster
And treat those two imposters just the same;
If you can bear to hear the truth you've spoken
Trusted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build them up with worn out tools.*

*If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on!"*

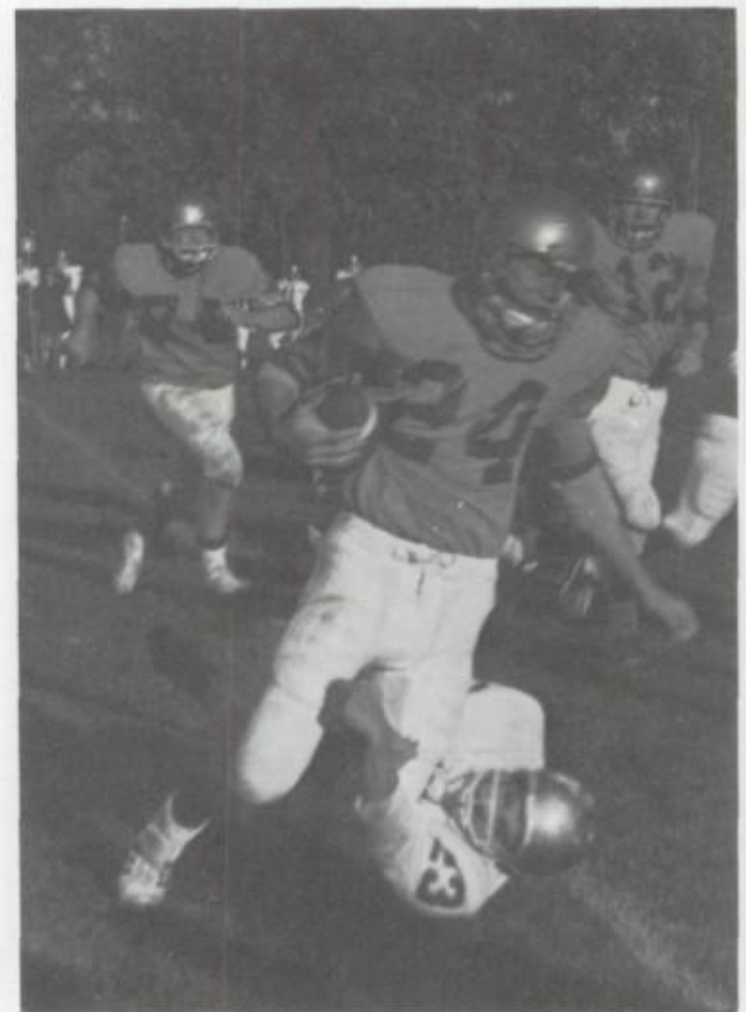

*If you can talk with crowds and keep your virtue,
Or walk with Kings—nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds worth of distance run,
Yours is the earth and everything that's in it,
And—which is more—you'll be a Man, my son!*

JV's Portray Team Work

The Junior Varsity football program is traditionally a proving ground for future varsity teams. This years team revealed numerous future prospects. Coach Dick Doll and his assistant Herbie Brogan molded the raw talents of the sophomores into a treasure house of athletic prowess. Outstanding players rewarded for their fine efforts were: Mark Driscoll, Most Valuable; Scott Walker, Most Improved; and Greg Ellis, winner of the Coaches Award.

Co-Captains Bob Schied and Greg Ellis lead their teammates through many decisive games, and finished the season with a 3-5 record. The J.V.'s proudest victories were the two shutouts over Albion and Ann Arbor Huron. Another hard-fought battle was the contest with Brighton. This years Junior Varsity Team members certainly will carry on a fine tradition in the years ahead with their spirit and competitive edge.

Fighting Frosh

The Tiny Titans, led by coaches Pete Powers and Jerry Sykes, have accomplished a difficult feat this year. Under the tremendous pressures of high school competition, the freshmen class produced a formidable team of which they can be proud. The freshmen football team is traditionally a school for formulating the basic techniques of the game and observing the many steps it takes to make a winner. Though the Freshmen only produced a 3-5 record, they can be proud of their hard work and determination. The Tiny Titans are certainly to be a part of the Titan Dream Machine.

Cross Country Continues Titan Tradition

The 1972 edition of the Lumen Christi Cross Country team finished with an excellent 6-2 dual meet record. The Titans, under the able leadership of Pat Arpino, demonstrated versatility and a complete team effort in capturing the Albion Invitational Championship and impressive finishes in the Brandywine, Jackson, and Sturges Invitionals. The Titans were led to victory after victory by their most valuable player, Mike Woolsey. Yet the team heavily relied on such individuals as Pat Fitzgerald, and John Dedrick who won the most improved player award. The highlight of the season occurred when Mike Woolsey won the Chris Jensen Award as the best runner in the county. The future, indeed, seems bright for the Lumen Christi Cross Country as Mike Woolsey, Pat Fitzgerald and a whole flock of runners return next year to pursue another fine season.

The Titans Tee Off

Lumen Christi has always boasted a fine golf team and this year is no exception. Under the competent leadership of Mr. David Swartout, the Titans finished with a fine 8-5 dual meet mark. Although large crowds never greeted the Titan golfers, you can be sure they competed to the best of their ability. Among some of the innovations in golf this year, was the introduction of girls into varsity competition. The two female golfers, Val Stark, and Gracie Tomshack, were vital additions to the Titan team. Constant practice and competition rewarded the Titans with impressive finishes in the Marshall Invitational, and the Brighton Invitational. The Titans finished strongly as they placed in the Regional Tournament and Mark Egly capped off the season with a third-place finish in the state.

Kings on the Court

The 1972-73 Titan varsity basketball team came on strong in the last half of the season winning fifteen of their last eighteen games and came out as the best basketball team Lumen Christi has ever had. During the season the Titans displayed a tight defense and a four-scorer offense in Gary Smith, Steve Farrell, Ed Borgerding, and Joe Slack. Filling in the other gaps left open were Bill Best, Dick Scheid, and Mike Yocum.

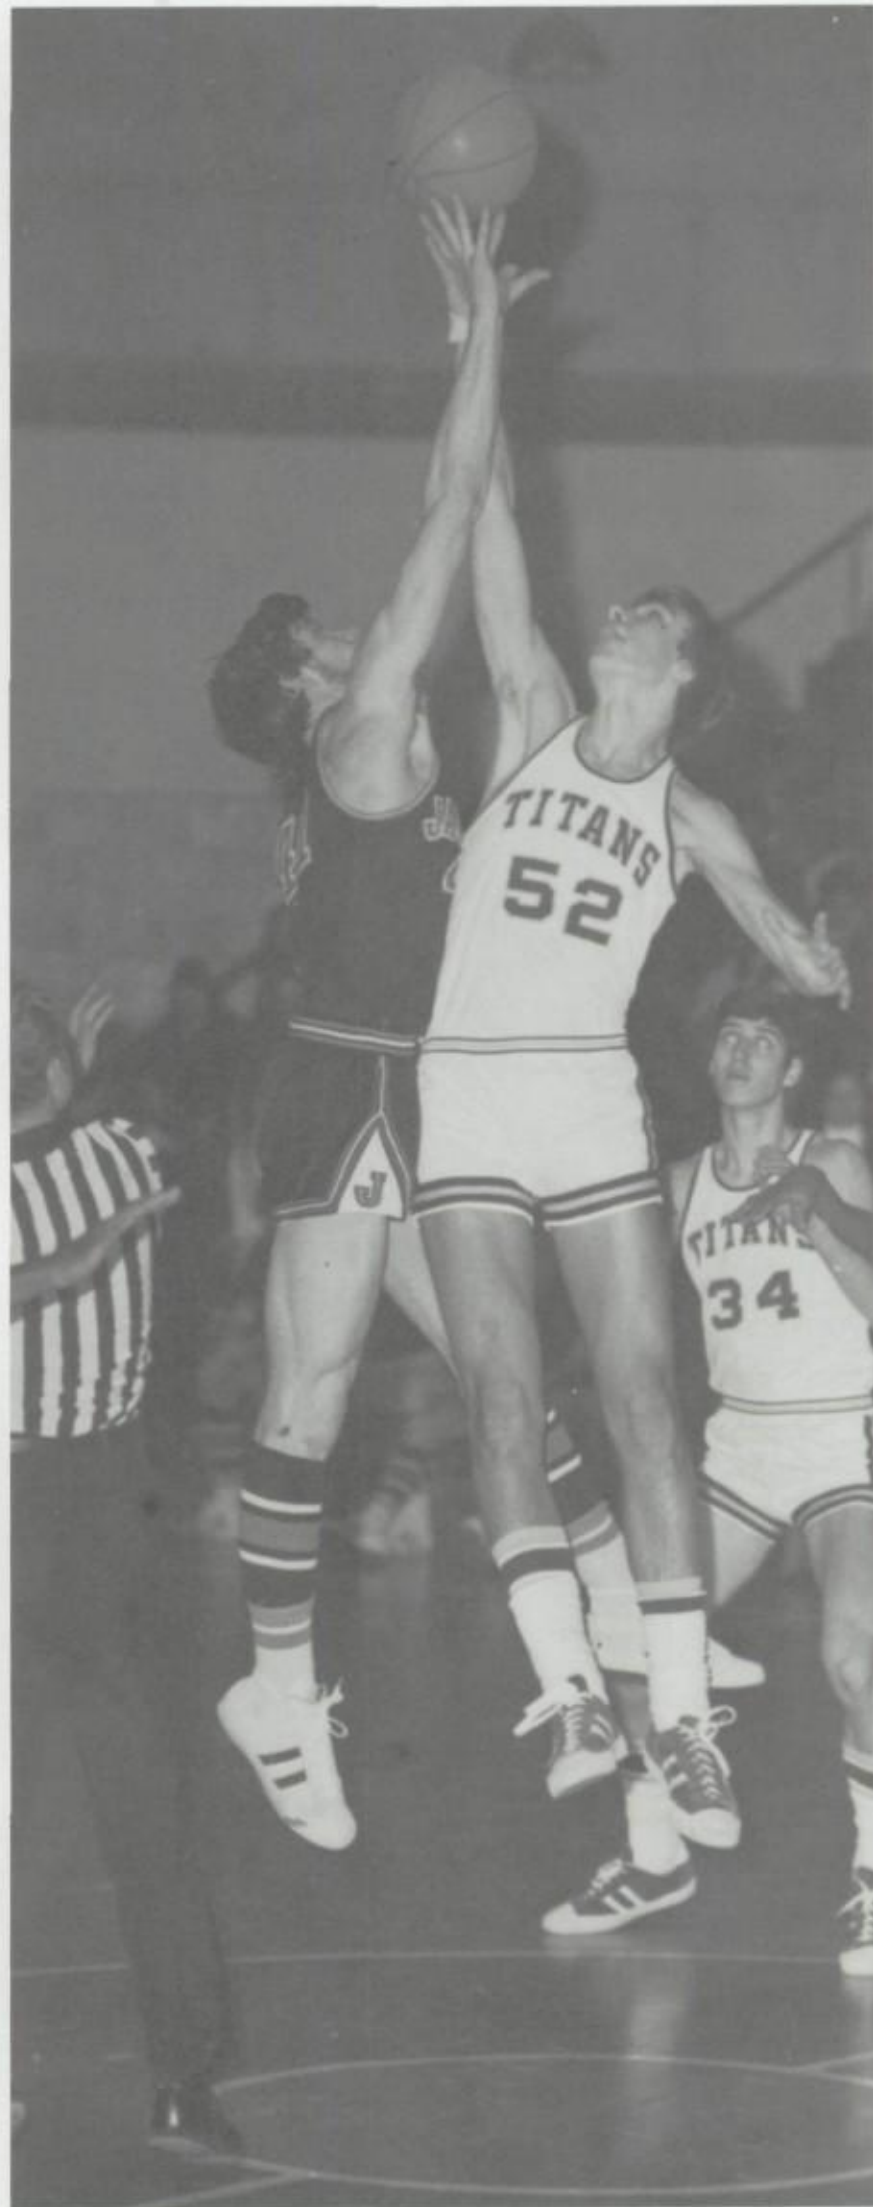

The season was a repeat of last years season in that Christi won the district tournament only to lose the opener of the regionals to the eventual regional tournament winner. It took a good deal of poise to pull out in the Columbia Central district game, but victories after Michigan Center and Techemseh were overwhelming. All in all, it was a fine season for Justin Perticone and the 1973 version of the Titans.

JV's Reach High

The J.V. basketball team finished their season at the .500 mark with a 10-10 record. While the record was not bad, it might have been a lot better if things had turned the other way, for the Titans dropped many very close games. Many times the margin of these games were one point such as the games at Marshall and Jackson High. Christi, however, pulled out some close ones themselves turning the trick on Jackson High once under the Dome.

Many times this year the J.V.'s used the platoon system due to the balance on the squad. Stand-outs on these platoons were Tom Konapka, John Hinkle, Jerry Walker, Kevin Driscoll, Gregg Ellis, Jeff Postl, and Tony O'Dowd.

For Coach Dan Atkin, it was a season to iron out weaknesses and to drill into his players some more basics. His players have followed his program and as a result given an optimistic air for the varsity team next year.

Frosh Finish Fine Season

The freshman basketball team concluded their 1972-73 basketball season on February 22 on a losing note against Western, finishing with a 8-10 record. A very consistent team, the freshmen never posted more than a two game winning or losing streak. There were, however, many big victories chalked up throughout the year. These included two wins over Hunt and single triumphs over Frost and Lansing Catholic Central. Although there were two main disappointments—losing the City Championship to East and finishing below the .500 mark—the season had high points.

Jimmy Hagen was a bright spot as he led the Titans throughout the season. Other standouts were Brian O'Neil, Barry Jones, Billy Chapman, Pat Higgins, and Jimmy Grund, as listed by Coach Jerry Sykes.

These players should provide the nucleus for a strong junior varsity team next year.

Barry Jones lets it fly.

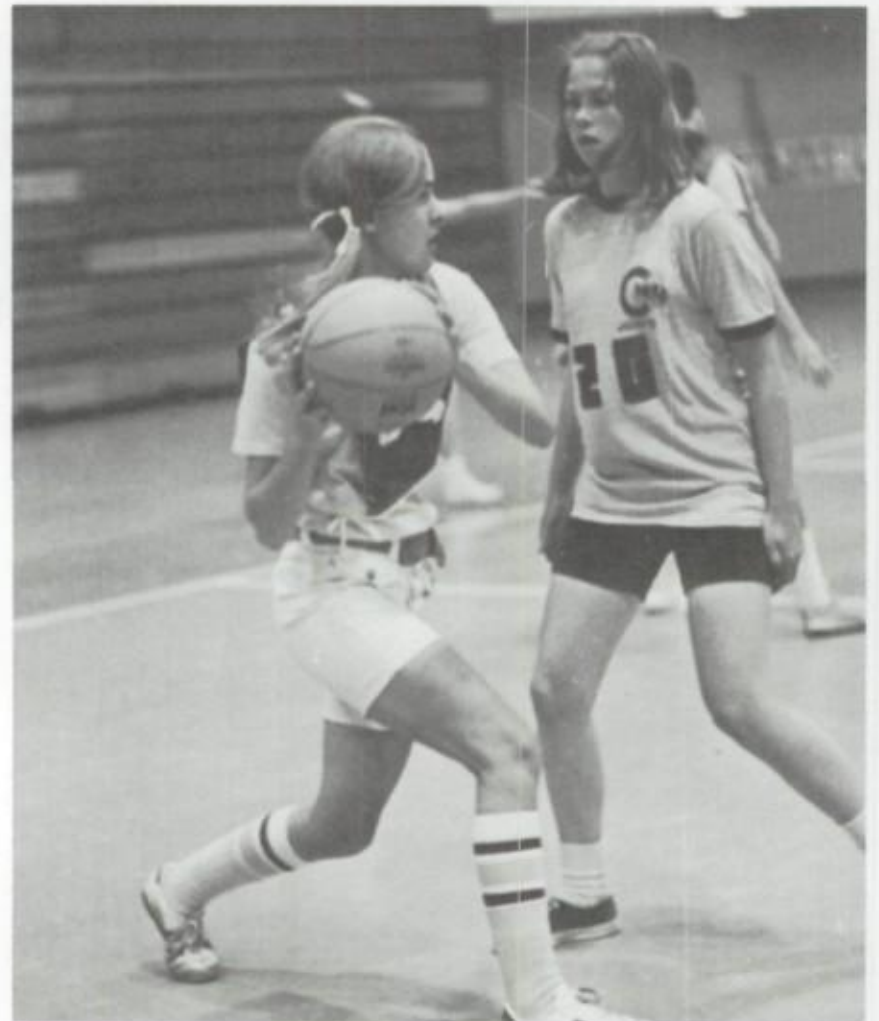

Front—Jimmy Hagen, Jim Grund, Bill Chapman, Joe White, Charles Reese, Pat Dillon, Mark Piotrowski. Back—Coach Jerry Sykes, Barry Jones, Greg Shellberg, Pat Higgins, Phil Sponsler, Mike Gleeson, Brian O'Neil, and Manager Tim Murphy.

Girls Take Over

The Lumen Christi girl's basketball team, under the superb coaching of Mrs. Nancy Gaskell, finished with a 1-3 won-loss record. This year's team beat Concord by a substantial margin and lost close games to Grass Lake, Columbia Central, and Western.

Helping to boost the teams points per-game average were Val Stark and Gracie Tomshack. The rebounding chores were led by Mary Jo Czernik. Joan Magnotta and Cathy Rand were the prime defenders.

With the many underclassman participating this year, the next few years of teams should be invincible, while playing longer schedules and taking part in the state tournaments.

Track: A Lesson in Determination

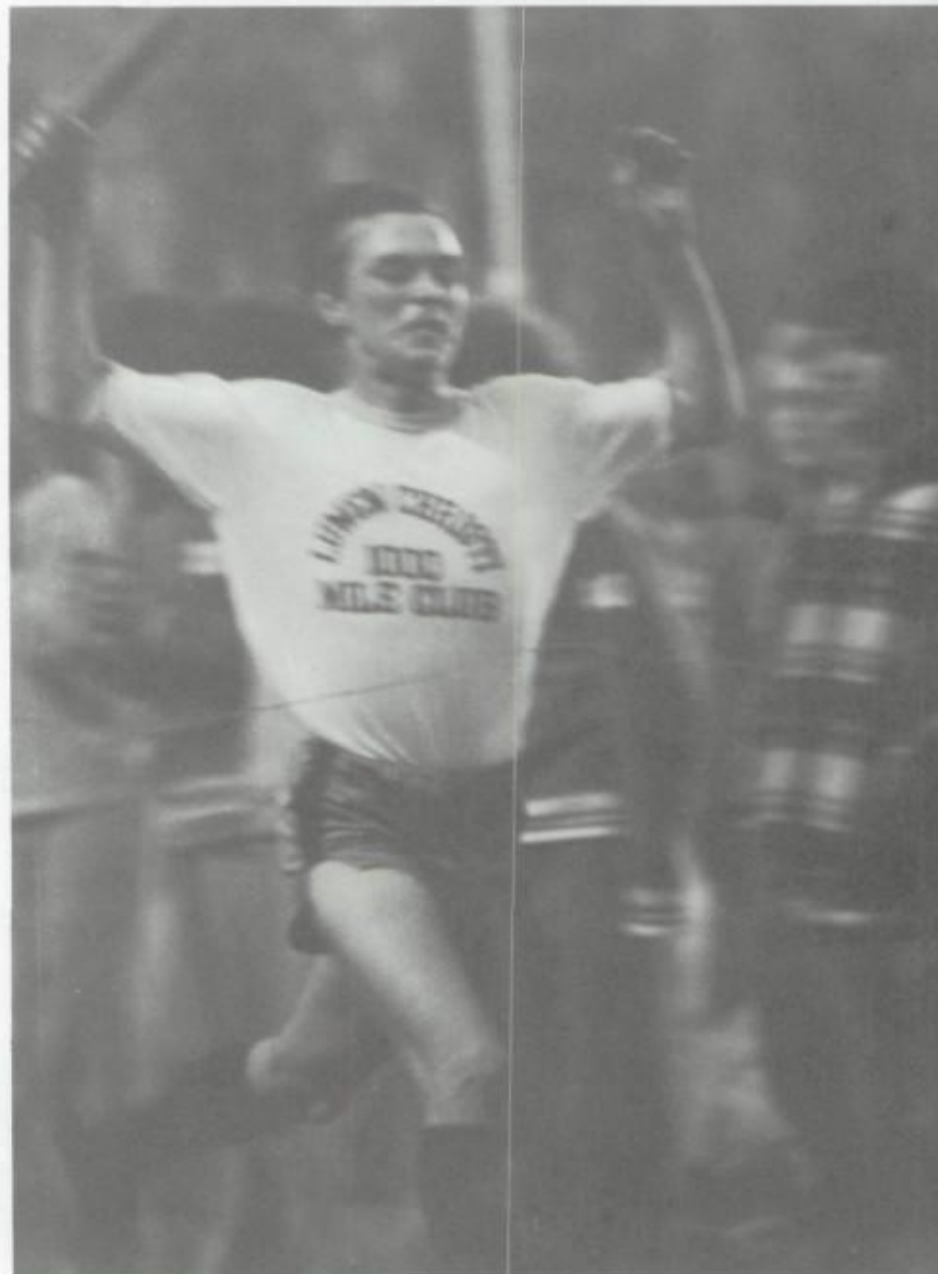

Track is one of the oldest sports, Cross Country particularly. There are no rest stops. You run until you finish or drop. That's it. In winter and spring track you build up speed and skills. It takes training, training and training—building lung and muscle power to the point of pain and many times to the point of nausea. It is skill, speed and stamina. It takes more brains than football, more speed than basketball and more plain intestinal fortitude than any other sport. If you're afraid of pain—forget it!

If you want to expand your lung power, strengthen your body to sinew and bone with no fat—try track—it's a whole new way of life, and takes determination, and strength of character. You can't talk your way through track or trick anyone for long. You have it or you don't.

Coach Patsy Arpino has reason to be proud of this teamwork. Leading the 1972-73 track team this year is Mike Woolsey who was elected at the Fall Banquet to be captain of the group. Pat Fitzgerald, Tom Stafford, John Fitzgerald, John Dedrick, Ed Giluk, Larry DeWitt, Dave Renteria, Paul McCann and Dave Monks are just a few of the many who put their time and energy into the sport.

Other events included are: shot-put with Gary Haynes, Tom Haynes, and Dave Huckabay; high jump with Rick Zantop; and pole-vaulting with Mark Sayers.

There have been a few brave girls who have tested their stamina in track: Jayne Kramic, Margaret Winzeler, Kelly Blair, Cheryl Grzesiakowski and Maureen Dedrick.

Grapplers Show Spirit

This year's wrestling team, under the coaching of Mr. Tom Goodwin and assistant coach Mr. Herb Brogan, has been one of building. The Titans have shown they possess the traits of a good wrestling team with their endless spirit and desire.

The team has been hindered by a lack of school participation. This alone hasn't kept the wrestlers from proving they are going to be a power in years to come.

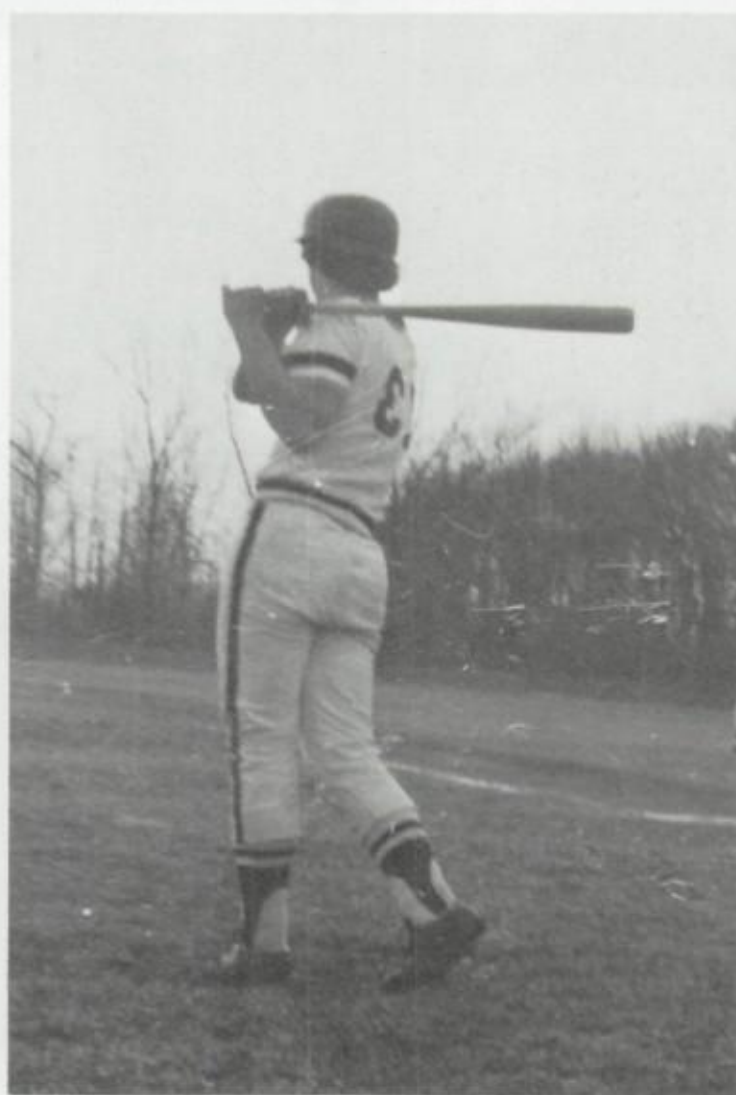

Above—Mike Kofflin warms up for a meet. Left—"Glad to Know you!"

Back row—coach Tom Goodwin, Pat Rummler, John Demay, Dick Williams, Tim Tillford, Nick Hasbrouck, Rick Kohs, Mark Rett, Dave Badowski, Manager Roy Finch, and Mr. Herbert Brogan.

Under the watchful guidance of Mr. Dan Atkins and Mr. Richard Doll the Titan baseball team worked diligently toward another fine season. Though the baseball team plays before sparse crowds they boast the finest winning percentage of any athletic team in the whole school. Last years team boasted such all around performers such as Pat McCloskey, Randy Wrozek, Stan Bucrec, Gary Stevens, and Gary Smith. This year Mr. Atkins faces a tough rebuilding job because of graduation, but if previous seasons are any sort of precedence, you can be sure of a winner.

Below Right—Practice makes perfect.

Intramural Basketball

Excitement and all-around great play equivalent to that of our Varsity Basketball Squad was evident in the games played in the 1973 Intramural Basketball Program. It can be said that our school has an unlimited supply of great stars as was seen in many contests. Both the girls' division and the boys' divisions produced an equal amount of these talented students.

The program was divided into three divisions: girls' division; boys' division—9th and 10th grade; and boys' division—11th and 12 grade. Every boys' team played 10 games, and the girls' played 7 games. Because of an overload of teams in the male divisions, a playoff was held. The champions of this playoff played the "overpowering" faculty team in an exhibition game.

A special note of thanks goes out to the program's director, Mr. Brogan, for all his time and work put into the Intramural program; and for creating an extra curricular activity for L.C. students to participate in.

Varsity Cheerleaders Install Unity

Unity was the theme for the 1972-73 varsity cheerleaders. Not only unity in the squad itself but in the task of uniting the student body to cheer on their team.

With Mrs. Gaskell as their moderator, the varsity cheerleaders stayed after school many hours not only practicing their cheers, but helping in other sports such as timing and scoring at the cross-country meets.

With the aim of getting new cheers and improving old ones the varsity went to a summer cheerleading camp. They won many ribbons for cheers and a pom pom routine and Anne Rainey was awarded a third place individual trophy.

Thru all types of obstacles, the varsity cheerleaders this year have proved they can continue to instill the "ever-shining" spirit of Lumen Christi.

Below: 1972-73 Varsity Cheerleaders: l-r: Janet Sauter, Debbie Minor, Martha Dedrick, Ruth Southwell, Anne Rainey, Mardi Miller, and Captain Jan Clark. Right—A monument of spirit.

Varsity Cheerleaders pictured in a moment of spirit with expressions of spirit.

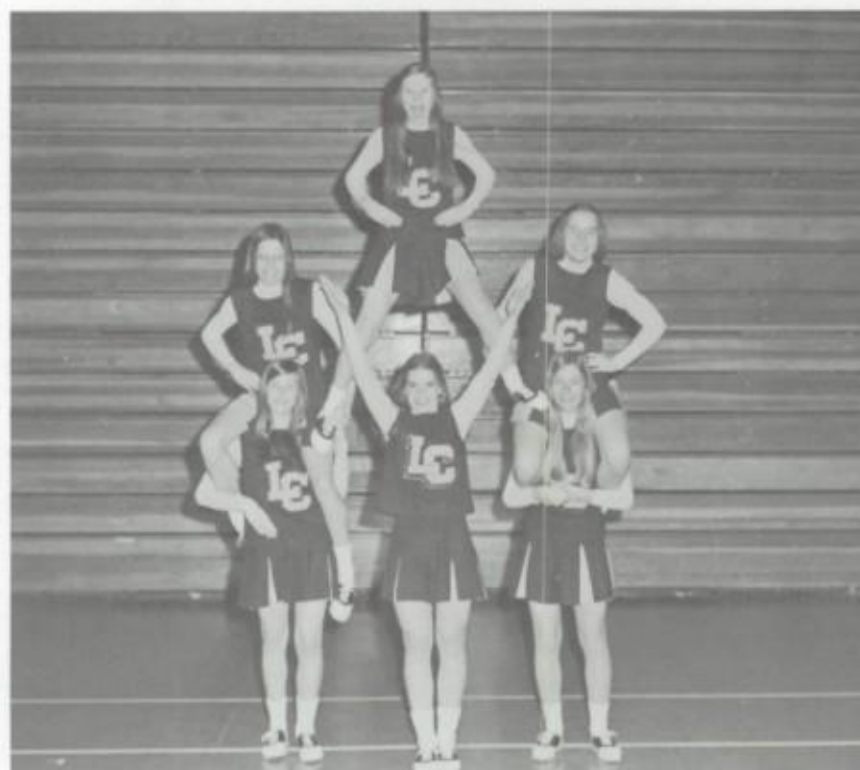

Leading the way to victory.

Little Titan Cheerleaders

Two very loyal and enthusiastic squads cheered the underclassmen teams on to victory. The JayVee and Freshman cheerleaders' exuberance and hope for victory was never diminished, even when other casual onlookers had left. The little Titans appreciated the cheerleaders support and rewarded their loyalty with many hard-fought victories.

Advisor Mrs. Gaskell developed the squads potential by teaching and perfecting many new cheers. By practicing long and hard each week, both squads were successful in arousing a great spirit for their powerful teams.

Cheerleaders create a spirit and pride which 'fires up' the teams and surely the enthusiasm of each girl will carry on and develop over their remaining high school years into Titan spirit at its greatest.

Above—Why, if we do this five or six more times, it might come out right! Below—J.V. Cheerleaders: L-R: Marsha Howe, Sheila McIntee, captain, Cindy Kuhl, Mary Kurzinowski, Lynn Kistka, Pam Potter, and Kathy Desnoyer.

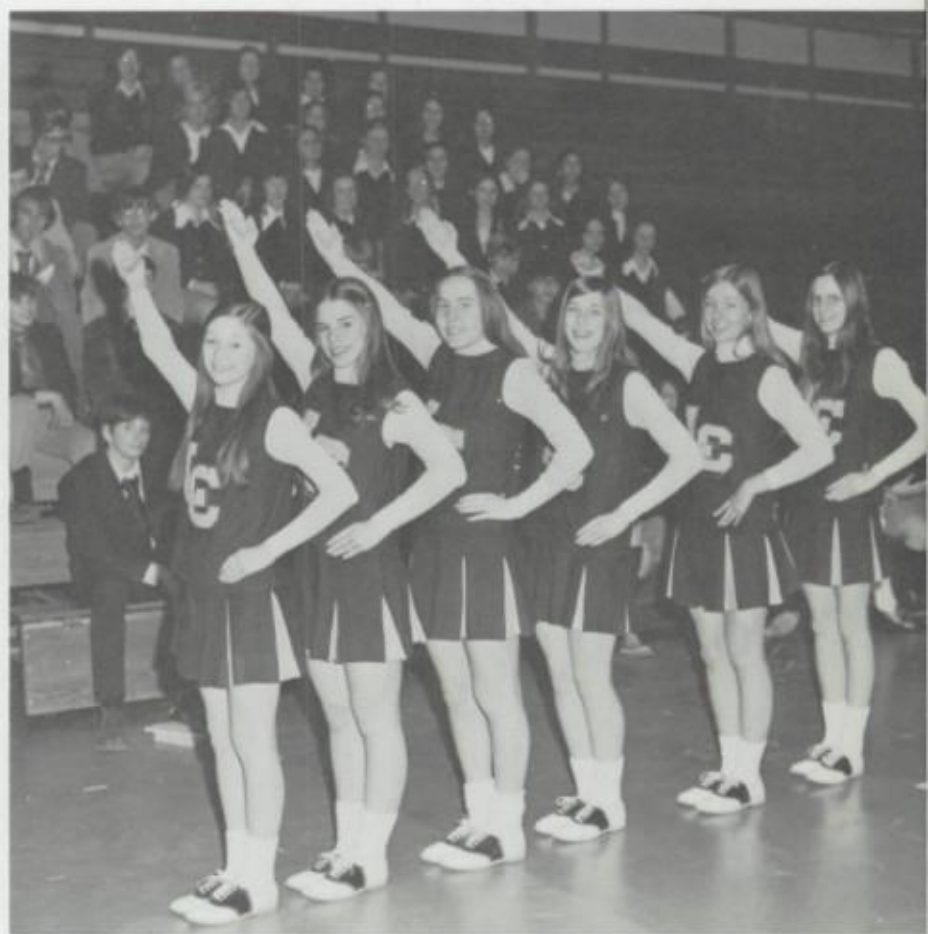

Unity, balance, precision, and enthusiasm are the trademarks of a L.C. cheerleader.

She has the whole wide world in her hands.

Freshman cheerleaders: L-R: Chris Bladowski, Captain Susan McQuillan, Peggy Dwyer, Joan Winter, Christy Thorrez, and Karen Dedrick.

Future Olympic Stars

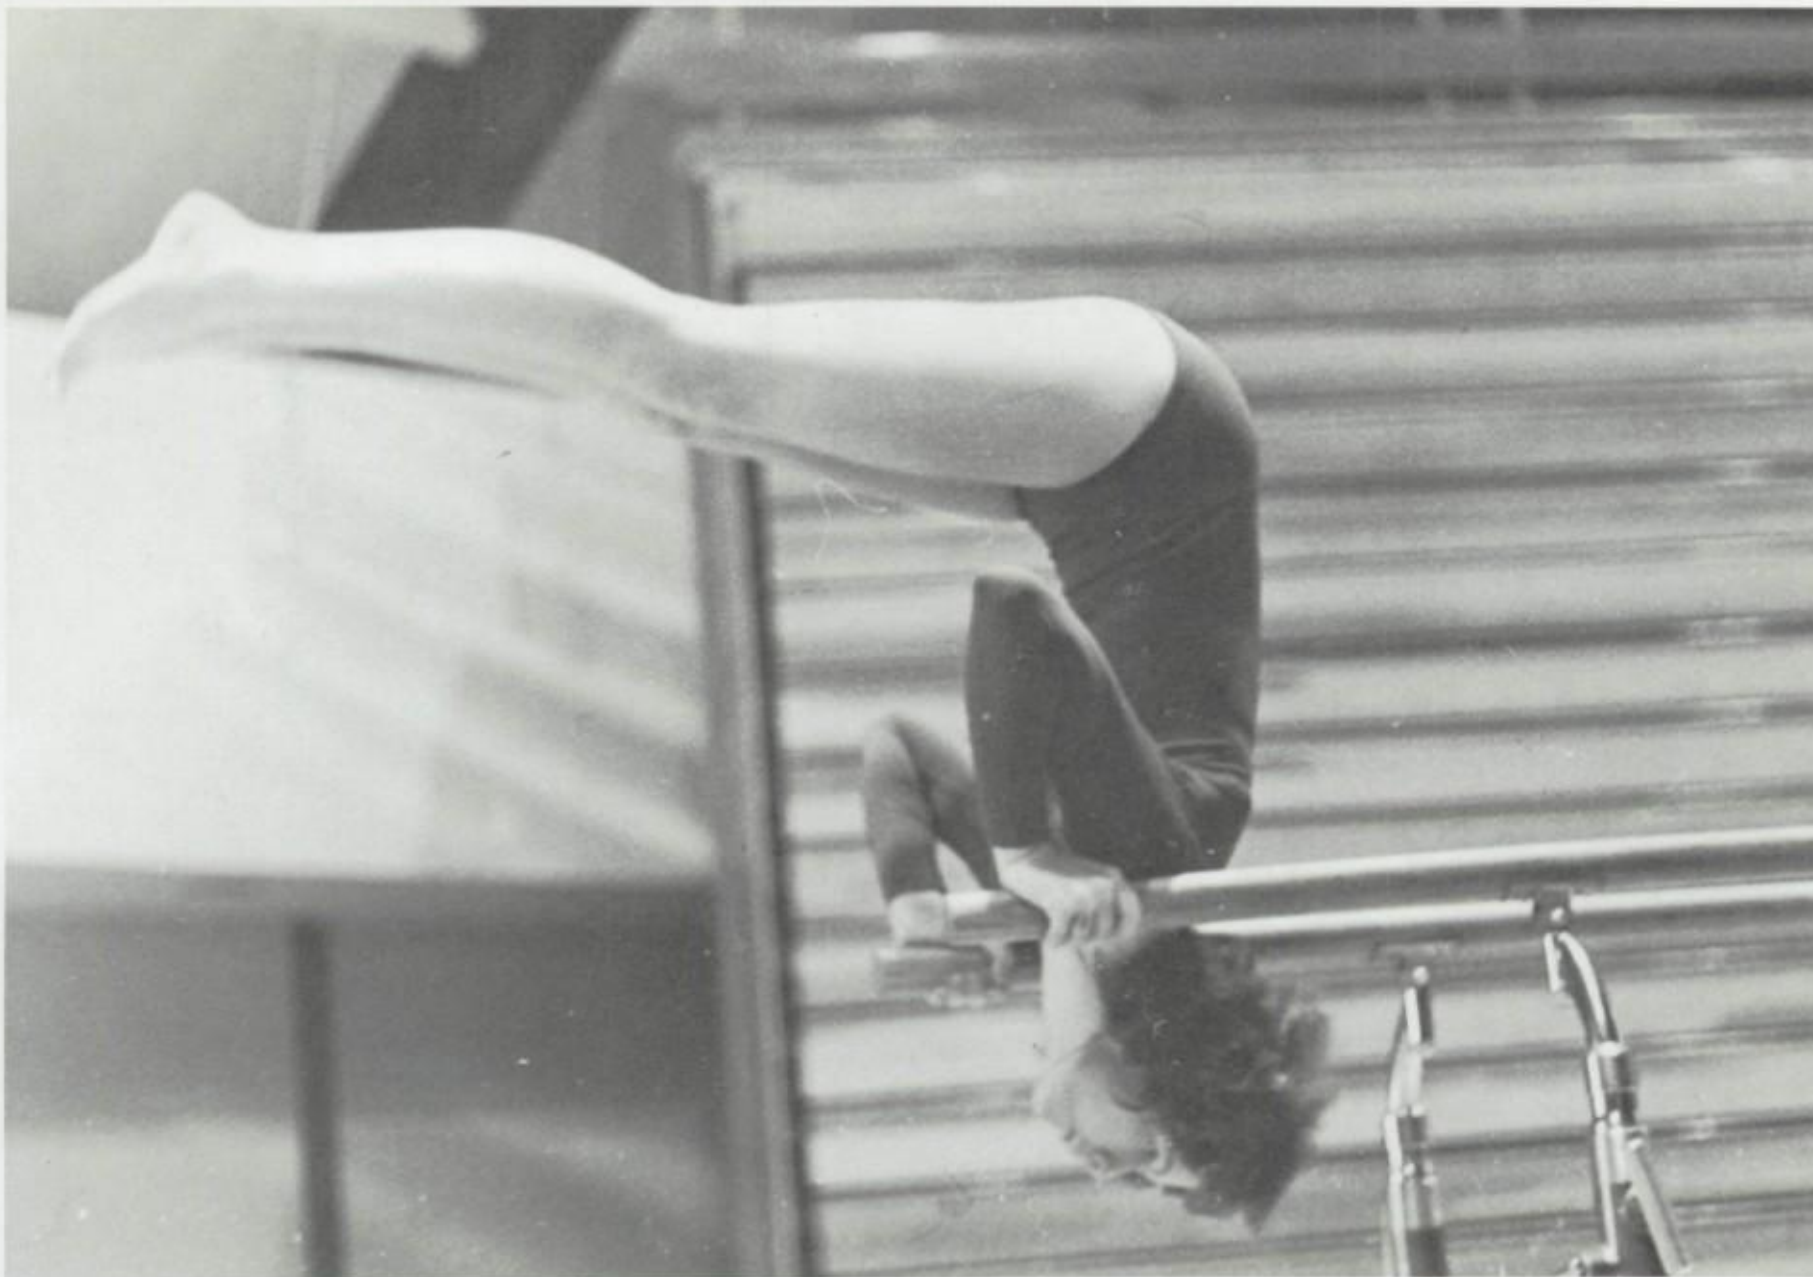

The Junior Olympics Gymnastics Meet was hosted this year by the Lumen Christi girl's gymnastics team. The team was relatively young; with only three juniors participating. With so many freshmen on the team this year, coach, nancy Gaskell is hopeful that early morning hours of practice and experience will pay off in a few years, resulting in numerous championships.

Jane Molony was the only ribbon winner with a third place finish on the uneven bars. Other outstanding gymnasts were: Betsy Miller, Martha Bunting, Cathy Gleeson, and Theresa Andrae.

Right—Jane Molony prepares to end her balance-beam routine. Below—Front row—Cathy Gloden, Colleen Gale, Katie Kaplinski, Jackie Miller, Diane Neigebauer, Teresa Andrea, Gail Mahoney. Back row—Coach, Nancy Gaskell, Martha Bunting, Trese White, Cathy Gleeson, Patty Gough, Dana Burkey, Jody Vermiglio, and Jane Molony.

Martha Bunting demonstrates coordination and stamina on the parallel bars.

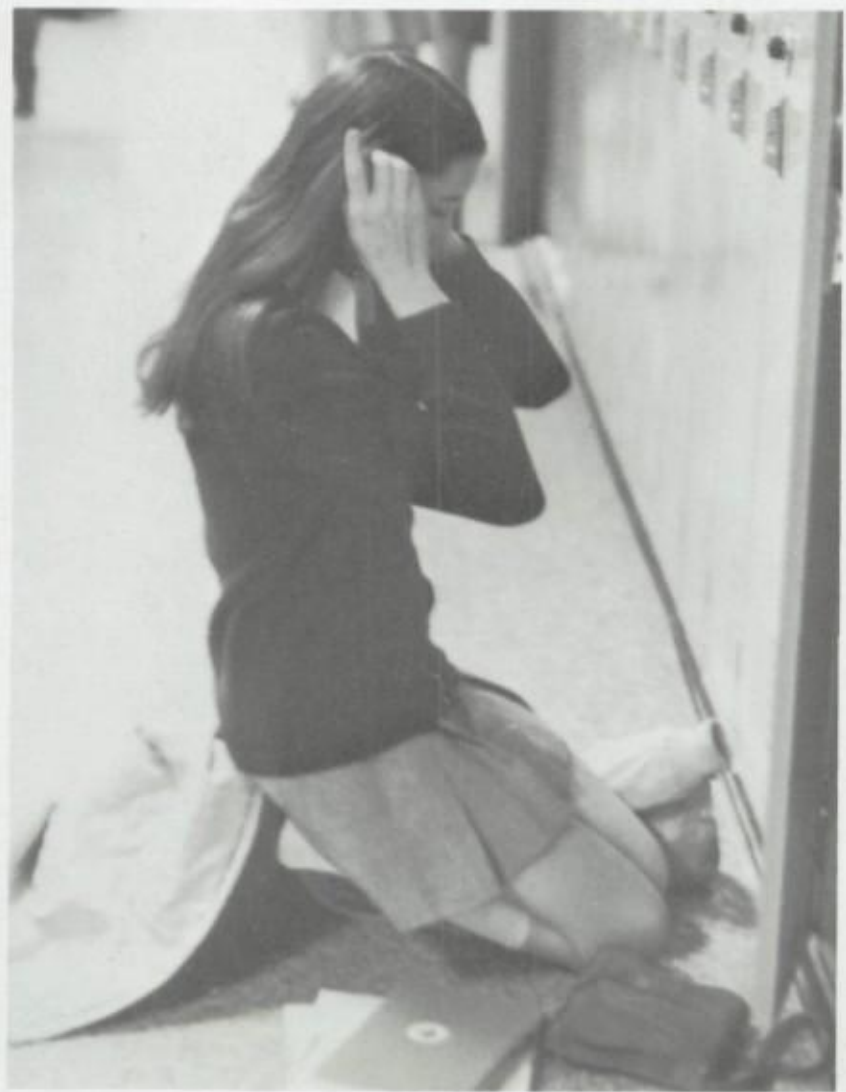

We always wanted to join the circus.

Now, if I could only get up . . .

weaving colors of gold, orange, and red
running slipping together
rain dripping to silverize and shine
entertaining mystery within
and dancing in the breezes
to the rythm of the earth

our silent conversation grows

Tree of the earth

Child of the earth

striving to be one

growing to every whim of nature
in deepening veils of peace

oh how we tickle the earth

with our silent connection

of songs and sighs

that penetrate all barriers

and soften our souls

to touch and touch life

wishing you

Nights at the Round Table

Above Left—Sr. yearbook Staff—I-r: Joe Tomasik, Mary Ellen Vogt, Maureen Cosgrove, Lou Ann Lefere, Jill Lusty, Tom Haynes, and John Young. Above—"Thank God the yearbook is done!"

Above—It isn't easy working without a pencil. Right—Ralph, who sometimes wanted to give up, but never did.

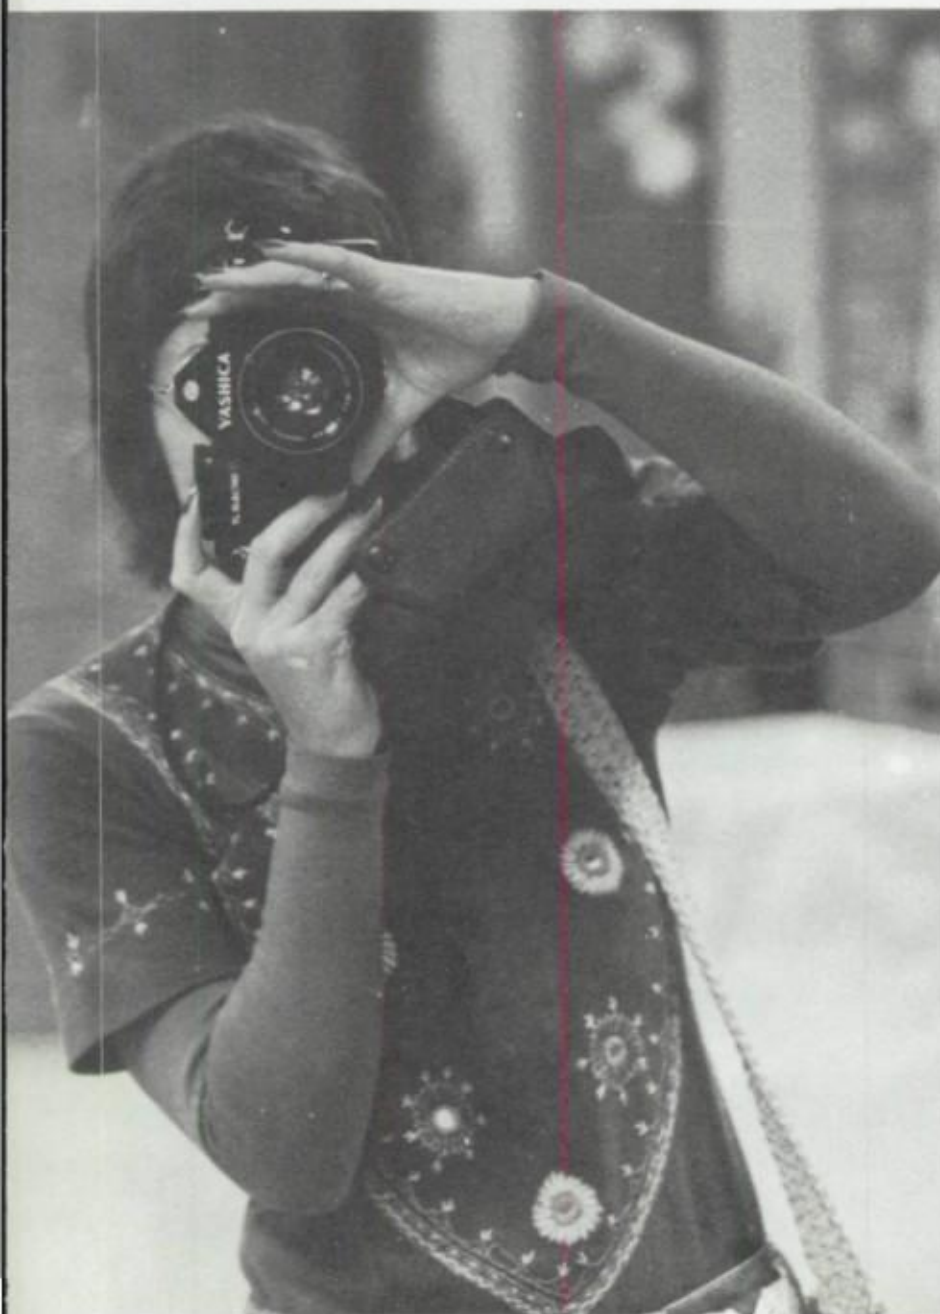

Above—Jean, always diligently at work. Below—Su, who labored long hours to develop pictures.

Jr. Yearbook Staff—Mary Sponsler, Mary Kelly, Nancy Job, Kathy Rand, and Mary Mrocza.

This is not the end. It is not even the beginning of the end. But it is, perhaps, the end of the beginning.
